To receive a proper, considerate and impartial treatment.

The information submitted will be confidential.

All interviews must be at a reasonable time and place for the taxpayer, in coordination with the employee of the Department of the Treasury (Department).

The interview or audit will not be used to harass or intimidate in any manner the interviewed person.

To receive a clear and simple explanation of the process to which the taxpayer will be subjected and the rights that assist him.

To be assisted by an attorney, accountant, certified public accountant or any other authorized person, at any moment during the interview.

To be informed prior to the interview of the intention to tape the interview, and to be able to obtain an exact copy of such recording subject to the payment of the cost thereof.

To be informed of the nature of your tax liability.

To be advised of your right against self-incrimination by your own testimony, to remain silent and that your silence should not be taken or commented against you, in case of a possible exposure to a criminal action.

To consult an attorney, accountant, certified public accountant, or agent authorized to represent you within the Department at any moment during the interview, or to be able to conclude the interview even when it has commenced.

To be notified in writing of any adjustment made by the Department as a result of a tax audit when it involves the addition of interests, penalties and surcharges, as provided by the Code, as well as the exact amount of the adjustment and the reasons for such changes.

To claim the benefits of a payment plan if you can't pay the full tax liability when it becomes due.

To waive the rights described in the preceding paragraphs, if such waiver is made knowingly and voluntarily.

To grant a written power of attorney to authorize any person to represent you during a tax interview or process. Such person shall receive, for purposes of the interview, equal treatment as you, unless you are notified that such person is responsible for an unreasonable delay or interference with the audit.

No discrimination on the basis of race, color, sex, birth, origin or social condition, or political, religious ideas or association of any taxpayer or his representative. No records will be maintained of tax information for these purposes.

The Department's employees will explain and protect your rights during all phases of the process. If you believe that your rights have been violated, you should discuss this matter with the supervisor of the employee. If you do not agree with the action taken by the supervisor, you may file a complaint with the Office for the Protection of Taxpayer Rights.

THE CODE PROVIDES CIVIL AND CRIMINAL SANCTIONS TO THOSE INCOME TAX RETURN SPECIALISTS WHO FAIL TO SUBMIT THIS INFORMATION OR WHO DO NOT MEET ANY OTHER STATUTORY REQUIREMENTS IMPOSED BY THE CODE.

The Tax Return Specialist must declare under penalty of perjury that he/she examined the return and to the best of his/her knowledge and belief, the return is correct and complete.

If the return is prepared by an accounting firm duly registered as a Tax Return Specialist, it must include the registration number and be signed by the authorized person.

AREA CODE

You must indicate the area code (**787** or **939**) in the parenthesis located in the space provided in the heading of the return to write the phone number.

RETURNED CHECKS

Every returned check drawn on behalf of the Secretary of the Treasury will be subject to a \$25 minimum charge. This charge is in addition to any other interests, surcharges or penalties provided

by the Code or any other fiscal law, for omissions in fulfilling your tax responsibility. The Department will make the collection in a traditional or electronic manner.

FINANCIAL STATEMENTS REQUIREMENT

If the entity has a volume of income during a taxable year equal or more than \$3 million, financial statements reporting the operations of the taxable year must be included with the return.

In cases in which the entity generates a volume of business equal or more than \$1 million but less than \$3 million, the entity may choose to submit financial statements which reflect the results of its operations for the taxable year. Every business that is up to date with its tax responsibility and under these conditions choose to include the financial statements, shall be entitled to a total or partial waiver on the 7% withholding from payments for services rendered.

The financial statement must include a balance sheet, an income statement and a statement of cash flows. These statements should be submitted with an Audit Report issued by a certified public accountant (CPA) licensed in Puerto Rico.

In addition, Section 1061.15(b) of the Code establishes the requirement to include additional information in the financial statements attached with this return. In order to obtain additional information about the Guides for the Preparation of the Schedules Required as Supplementary Information, please refer to Administrative Determination No. 14-06 of March 6, 2014 and Administrative Determination No. 15-24 of December 17, 2015. The due date of the Supplementary Information must be no later than the last day of the month following the due date to file the income tax return, including the request for extension of time to file the income tax return. That is, a corporation with calendar year must file the return on April 15, therefore, the due date of the Supplementary Information will be no later than May 31. In case that the corporation requests an extension of time to file the income tax return, the due date of the return will be July 15, therefore, in this case the due date of the Supplementary Information will be August 31.

On the other hand, Section 1061.15(a) of the Code establishes the requirement to submit consolidated financial statements including the result of operations for each member of the group of related entities doing business in Puerto Rico. About this, Administrative Determination No. 14-07 of March 12, 2014, establishes that this requirement will be considered as met by means of the filing of Form AS 2652.1, which must include the information corresponding to each entity member of the Group of Related Entities, including those that do not have the requirement to file financial statements.

Every entity member of a group of related entities and that according to the previously indicated rules is required to file audited financial statements, will be required to submit the supplementary information described in Section 1061.15(b) of the Code.

Therefore, for purposes of complying with the requirement to include audited financial statements with the income tax return of taxable years beginning after December 31, 2012, every entity that has generated volume of business of more than \$1 million during such taxable year and that is a member of a group of related entities subject to the provisions of Section 1061.15(a)(4) of the Code, because the volume of business of such group of

related entities is more than \$3 million, will be able to submit audited financial statements showing the financial position and the results of operations of such entity individually, without the need to submit consolidated or combined financial statements, as long as it includes, in the notes to such financial statements, a list of all related entities that are engaged in trade or business in Puerto Rico. Such information must include the name of each entity member of the group of related entities engaged in trade or business in Puerto Rico. An entity member of a group of related entities subject to the provisions of Section 1061.15(a)(4) of the Code but has not derived volume of business in excess of \$1 million for a taxable year, will not be required to submit audited financial statements for such year.

A report that includes consolidated financial statements in which the operations in Puerto Rico are presented as supplementary information will not be accepted. Also, compiled or reviewed statements are not acceptable. They must be audited.

CONTRACTS WITH GOVERNMENTAL ENTITIES

Every person, natural or juridical, contracted by a governmental entity must comply with the Executive Order 91-24, as amended, and the provisions of the Circular Letters of the Department in force at the time of processing the contracts. According to said provisions, every contract subscribed by a governmental entity must include a clause to certify that the contracted party filed the income tax returns for the last five years, and that the income, property, unemployment, temporary disability and driver's social security taxes, as applicable, have been paid.

In addition, in order to approve a contract or purchase order, the governmental entity must require the tax return filing (Form SC 6088) and debt (Form SC 6096) certifications from the Internal Revenue Area of the Department, the property tax certification from the Municipal Revenue Collections Center ("CRIM", for its Spanish acronym) and the corresponding certification from the Department of Labor and Human Resources, among others. These documents must be requested annually.

In order to expedite the process of issuing the certifications, every person who has filed income tax returns for the last five years and who does not have tax debts, or if having debts, has formalized a payment plan, will receive the Tax Return Filing and Debt Certification automatically by mail (Form SC 2628). **For this purpose, it is necessary that if the corporation is contracted by a governmental entity, it is indicated in the corresponding part of the heading of the return, page 1.**

Since sometimes the tax return for the last filing year cannot be certified because the return has not been processed by the Department, it is recommended to print a copy of the electronically filed return or to file the return personally along with a copy, in order to have said copy sealed with the Department's receipt stamp. This service will be offered at the Department of the Treasury, Intendente Ramírez Building in Old San Juan, at the Internal Revenue Collections Offices, and at the Orientation and Return Preparation Centers.

ESTIMATED TAX PAYMENT VOUCHER (FORM 480.E-1)

The four installments of estimated tax corresponding to the 2018 calendar year or to the 2018-2019 taxable period, will

be made with the latest revised version of Form 480.E-1 available for each installment. Payments made with coupons revised on previous dates may have problems in their application.

SCHEDULE A CORPORATION - ALTERNATIVE MINIMUM TAX**WHAT IS THE ALTERNATIVE MINIMUM TAX?**

The Alternative Minimum Tax is an additional tax which is imposed when the net income, adjusted by certain preferential items, exceeds the exempt amount of \$50,000. **The tax rate for this tax is 30% of said net income.**

WHICH ENTITIES ARE SUBJECT TO THE ALTERNATIVE MINIMUM TAX?

Every corporation engaged in trade or business in Puerto Rico, including insurance companies. It also applies to those corporations operating under the Puerto Rico Tax Incentives Act or under any other similar act, with respect to that portion of income derived from taxable operations.

The following entities are not subject to the alternative minimum tax: (1) foreign corporations not engaged in trade or business in Puerto Rico; (2) partnerships; (3) special partnerships; (4) registered investment companies taxable under the provisions of Subchapter L of the Code; (5) corporations operating under Act No. 8 of January 24, 1987 or under any other similar act, but only on the income derived from its exempt operations; (6) exempt real estate investment trusts; (7) corporations of individuals; (8) corporations under the provisions of Tourism Acts; (9) bona fide farmers; (10) employees-owned special corporations and ordinary and extraordinary members.

Prepare and file this schedule with the income tax return, **even though no amount may result subject to the imposition of the alternative minimum tax.**

PART I - ADJUSTMENTS IN THE COMPUTATION OF THE ALTERNATIVE MINIMUM NET INCOME BEFORE BOOK ADJUSTMENTS AND OPERATING LOSSES

Line 1 - Use lines 1(a) through 1(c) to compute the net income (or loss) subject to normal tax without considering the net operating loss of previous years and excluding the income subject to preferential tax rates that you have elected to pay taxes at the corresponding preferential rate. Follow the detailed instructions provided on the schedule.

Line 2 - Enter on lines 2(a) through 2(e) the adjustments to determine the Alternative Minimum Net Income prior to book adjustments and operating losses. If the adjustments to determine the Alternative Minimum Net Income in Part I exceed the amount used to determine the regular tax, the difference (negative) is considered a deduction. On the contrary, if the amount used to determine the regular tax exceeds the adjustments, the difference (positive) will be reflected as an additional adjustment to the net income.

Line 2(a) - If you used the flexible depreciation method to compute your regular tax, determine the depreciation using the straight-line method and enter here the difference between both methods.

Line 2(b) - If you are a merchant in personal property and reported gains through a sales installment plan for the regular tax, you must recognize the gain (or loss) in its entirety for the year in which the

personal property was sold. Enter on this line the difference between both methods.

Line 2(c) - If you used the completed contract accounting method to report the income (or loss) derived from construction of projects, and such activities exceeded one year, recompute your profit (or loss) under the percentage of completion method. Enter on this line the difference between both methods.

Line 2(d) - If the corporation is a financial institution, determine the amount of interest expense not allowable as a deduction attributable to interest income derived from exempt obligations, irrespective of the date of its acquisition.

This will be made based on the average balance ratio of the institution assets. The adjustment does not apply to exempt obligations related to mortgage loans granted or guaranteed prior to September 1, 1987 by the Government of Puerto Rico, its agencies, municipalities and instrumentalities, which interests would have been deductible from the gross income to determine the tax imposed by Act No. 34 of June 4, 1975, as amended.

Line 2(e) - If you used the accelerated depreciation method to determine the regular tax, compute the depreciation using the straight-line method. Enter on this line the difference between both methods.

PART II - ADJUSTMENT FOR THE EXCESS OF THE NET INCOME PER BOOKS OVER THE ALTERNATIVE MINIMUM NET INCOME BEFORE ADJUSTMENTS

Line 4 - Enter your net income (or loss) as per your Income Statement. For this purpose, **Income Statement means** a financial statement that reflects the results of the operations of the corporation for the taxable year, accompanied by a Balance Sheet and a Statement of Cash Flows. The statements must be prepared in accordance with the generally accepted accounting principles, and if the company had a volume of business of more than \$3 million, such statements must be audited by a certified public accountant licensed in Puerto Rico.

Line 5 - Determine the amortization expense as reported in your financial statements for goodwill acquired prior to June 30, 1995 or after July 1, 1995 purchased from affiliates. Enter the difference between the goodwill amortization expense as determined from your net income per books, and the goodwill claimed as a deduction on the return.

Line 6 - Enter the Puerto Rico income taxes and any other taxes on income or excessive profits imposed by the United States or any of its possessions or foreign countries, considered directly or indirectly in your Income Statement. Do not include the amount of any tax you may have elected to deduct and not claim as credit as provided in the Code.

Line 8 - Enter the total of interests from exempt obligations, but exclude the exempt interest expense or any other expenses incurred in the acquisition or retention of such obligations.

Line 9 - Enter the total amount received as dividends or profits from domestic corporations or from industrial development income, or tourism development income, as defined under the Tourism Incentives

Act of 1983 or the Puerto Rico Tourism Development Act of 1993, as amended, up to the amount in which the dividends or profits have not been included in the net income for regular tax purposes.

Line 10 - Enter the net income amount per books from industrial development, or derived from exempt income of tourism development, as defined in the Puerto Rico Tourism Incentives Act of 1983 or the Puerto Rico Tourism Development Act of 1993. Enter also the amount of the deduction for income derived by a bona fide agricultural business, or rental income from a new construction property or a qualified residential property pursuant to the provisions of Act 132-2010.

Line 11 - Enter any income (or loss) from the operations of a subsidiary included in the Income Statement recognized under the equity method, for accountability of the investment in the subsidiary.

As general rule, this amount will be same as the amount included on line 1(b), Part I of this Schedule.

PART III - COMPUTATION OF THE ALTERNATIVE MINIMUM NET INCOME

Line 19 - Enter on this line the total net operating losses from previous years for purpose of the alternative minimum tax, as determined on Schedule G Corporation, Part II, line 13, Column E. Include such schedule with the return.

The amount of the loss to be claimed on this line cannot exceed 70% of the alternative minimum net income determined on line 18.

Line 21 - The alternative minimum tax allows an exemption of \$50,000 if the alternative minimum net income is \$500,000 or less. That exempt amount is reduced by 25% (but no less than zero) of the excess of the alternative minimum net income over said amount. If your alternative minimum net income is \$700,000 or more, you are not entitled to claim any exemption.

To determine the exempt amount follow the instructions below:

A. Maximum exempt amount	\$50,000
B. Total line 20	_____
C. Less:	\$500,000
D. Excess of line B over line C	(_____)
E. Multiply line D by 25%	_____
F. This is your exempt amount (Subtract line E from line A)	_____

PART IV - COMPUTATION OF THE ALTERNATIVE MINIMUM CREDIT FOR FOREIGN TAXES PAID

Line 23 - Multiply the amount of line 22 by thirty percent (30%) and enter the result on this line.

Line 24 - Enter on this line the Alternative Minimum Net Income before the net operating loss (amount informed on line 18).

Line 25 - If line 18 is \$500,000 or less, the exempt amount is \$50,000. If line 18 exceeds \$500,000 but is less than \$700,000, the exempt amount will be \$50,000 less 25% of the excess over \$500,000.

Line 30 - Compute your credit for foreign taxes paid according to the Code. Use the formula indicated and adjust the net income by the adjustment items specified in the Code. The formula is as follows:

Alternative Minimum Net Income from sources outside Puerto Rico will be divided by Total Alternative Minimum Net Income and multiplied by the Tentative Minimum Tax.

Any increase to the Alternative Minimum Net Income due to the adjustment for the excess of the net income as per the Income Statement, will have the same proportion and character of the Alternative Minimum Income determined without considering such increase.

The calculated credit is subject to an additional limitation. It may be reduced up to 90% of the Tentative Minimum Tax (line 23) without considering the deduction for the net operating loss used in the determination of the alternative minimum tax. Determine the credit limitation amount on lines 23 through 30. **Any credit amount not claimed in the taxable year can be carried over to the following 7 years.** No part of the credit may be carried back.

Line 33 - Enter on this line the total alternative minimum tax. The total alternative minimum tax will be the difference of line 31 less line 32. In case that line 32 exceeds the amount of line 31, the taxpayer must enter zero on this line. If line 32 is less, in addition to enter the difference on this line you must enter this amount on line 45, Part IV, page 2 of the return.

PART VI - COMPUTATION OF ALTERNATIVE MINIMUM TAX CREDIT

Use this part to determine the amount of credit for alternative minimum tax paid in excess of the regular tax and not used in previous taxable years. To be entitled to this credit, the regular tax for the year must exceed the alternative minimum tax for such year, and the alternative minimum tax for previous years must have been paid.

Line 1 - Enter the excess of the regular tax over the alternative minimum tax determined in the current year. The amount to be included will be the different between lines 32 and 31, Part V of this schedule. If the alternative minimum tax determined on line 31 is more than the regular tax determined on line 32, enter zero and do not continue with the schedule.

Line 2 - On this line compute the alternative minimum tax credit limitation to be claimed in the return. The amount to be claimed as credit cannot exceed 25% of the excess of the regular tax over the alternative minimum tax determined for the current year.

Line 3 - Enter on this line the available balance of the alternative minimum tax paid in previous years not claimed as credits, as determined on line 11 of Column C, Part VII of this schedule. To compute the alternative minimum tax credit is necessary to complete Part VII of Schedule A Corporation, which provides the detail of the excess of the alternative minimum tax paid by the taxpayer in previous years and that is available to be claimed as credit in the current year, subject to the limitations established by the Code.

Line 4 - Enter the smaller between the amounts determined on lines 2 and 3. Transfer this amount to line 48, Part IV of the return.

On this line you must also include the recapture of investment credit claimed in excess related to any of the following acts: housing infrastructure act and rental housing for low or moderate income families act.

Line 4 - If this is the first year that you make the recapture, subtract line 3 from line 1 and enter the difference. This will be the tax debt to be paid for next year. If this is the second year of recapture, subtract lines 2 and 3 from line 1.

PART I - DETERMINATION OF NET INCOME FROM SOURCES OUTSIDE OF PUERTO RICO

Line 1 - Enter the taxable gross income derived from sources in each of the applicable jurisdictions, itemized by the type of income listed on lines (a) through (g), and totalize them on line 1(h).

Taxable Gross Income

For purposes of Part I of Schedule C, the term “taxable gross income” means gross income of the taxpayer that is subject to income tax in Puerto Rico, so that it will not include any exempt items under Section 1031.02 of the Code. Include in the appropriate columns all items of taxable gross income earned from sources in the applicable jurisdiction, even if such income item was not subject to tax in that jurisdiction. Remember that in case of sale of property, the gross income is determined by subtracting from the amount of sales, the cost or adjusted basis of the property sold.

Sources of Income

As a general rule, the source of income is determined as follows:

- 1) Interests and dividends - Based on the residence or place of incorporation of the payer.
- 2) Compensation for services - Based on where services are rendered.
- 3) Rents and royalties - Based on where the property is located or the place of use or the privilege of using patents, copyrights, trademarks, goodwill or other similar property.

If you are subject to the alternative minimum tax, you must compute the amount determined on this Schedule using such tax and the alternative minimum net income. In Part I, include the income from sources outside of Puerto Rico that were considered in determining the alternative minimum net income. Furthermore, it is necessary to make the adjustments that are indicated below:

- Part I, lines 1(a) through 1(g) of Schedule C Corporation - substitute by the corresponding items of gross income of the taxpayer that is subject to alternative minimum tax; include in the corresponding column all items of gross income subject to alternative minimum tax earned from sources in the applicable jurisdiction, even if such item of income was not subject to tax in that jurisdiction.

SCHEDULE D CORPORATION - GAINS AND LOSSES FROM SALE OR EXCHANGE OF PROPERTY

A capital asset may be defined as a property acquired for investment owned by the taxpayer (related or not to its industry or business), but does not include: (a) goods of the taxpayer's business or other property of similar nature that can be properly included in the taxpayer's inventory, if it was in existence at the close of the taxable year, or property owned by the taxpayer primarily for the sale to customers during the ordinary course of its trade or business, or (b) property used in its trade or business subject to the allowance for current depreciation, or real property used in its trade or business.

Capital gains or losses are classified as short or long-term, depending on the period held. If the capital assets were held for not more than 1 year, it is considered as a **short-term** gain or loss. On the other hand, if the capital assets were held for more than 1 year, it is considered as a **long-term** gain or loss.

To determine short and long-term capital gains or losses, you must provide the description and location of the property sold, indicate if the adjusted basis was increased by the prepayment of the tax and complete the information in Columns (A) through (F) of Parts I and III, and Columns (A) through (G) of Part II with respect to the properties.

The preferential tax rate in case of corporations is 20%.

As a general rule, **the adjusted basis of the property is** its original cost plus the cost of the permanent improvements, less depreciation. Do not include lodging expenses (i.e. hotels) nor travel expenses (i.e. airline tickets).

Provisions applicable to the adjusted basis of certain capital assets:

The adjusted basis must include the increase in accumulated value of the capital assets on which a special tax was prepaid:

- 10% during the period of **July 1 to December 31, 2006**, as provided in Section 1121A of the Puerto Rico Internal Revenue Code of 1994, as amended (1994 Code), and

Those taxpayers who elected to prepay the special tax rate of 10% or 12%, as applicable, must indicate so by selecting the box provided in Parts II and III of this Schedule. **You must keep for your records Form AS 2731 with the corresponding Schedule.**

Any amount or increase in value of the included capital assets generated after the election provided by Sections 1121A of the 1994 Code and 1023.22 of the 2011 Code, must be taxed according to the tax rate in force at the moment in which the sale, exchange or other disposal of such capital assets finally takes place.

Selling expenses include sales commissions, advertisements, legal fees, appraisal and other similar expenses. Do not include lodging expenses (i.e. hotels) nor travel expenses (i.e. airline tickets).

Recognition of loss:

Losses generated in the sale of capital assets for which the 10% or 12% special tax was prepaid, shall be adjusted according to the income tax rate in force applicable to this kind of transaction at the moment of the sale of such assets, before the use or carry over of said loss by the corporation. According to the above, such loss will be adjusted by a formula or fraction, where the numerator will be the 10% or 12% rates, as applicable, and the denominator will be the income tax rate in force at the date on which the sale of the asset took place.

For additional details, see Regulation No. 7188 of August 4, 2006.

The basis of a partner's interest from a partnership or special partnership will be the amount of cash or the adjusted basis of any property that is not considered cash, contributed to said partnership.

- (b) Enter the capital contributions made by the partner to the pass-through entity during the current year, as shown in column (a), Part II of Form 480.60 EC.
- (c) Enter the partner's distributable share in the pass-through entity's gain from the sale or exchange of capital assets for the current year.

If a partner has shares in losses from more than one special partnership or partnership, the total allowable loss balance, as determined on the previous taxable year, will be attributed proportionally to the loss of each one of the partnerships. The allocation will be made using as factor the adjusted basis of the partner's share in each one of the partnerships at the close of the previous taxable year.

Line 4 - If the amount on this line is less than zero, enter zero.

PART II - DETERMINATION OF NET INCOME OR LOSS IN ONE OR MORE SPECIAL PARTNERSHIPS OR PARTNERSHIPS

For taxable years beginning after December 31, 2010, if the special partnership or partnership derived losses, you may not claim them as a deduction against other income other than income derived from other special partnerships or partnerships. Said loss will be limited to the adjusted basis of the partner's share in the partnership at the end of the taxable year in which the partnership loss is claimed.

The adjusted basis limitation will be determined for each one of the special partnerships or partnerships in which the partner invests.

Line 5(a) - Enter the amount of distributable share in the loss of the special partnership or partnership attributable to the partner in accordance to the share percentage. This amount is informed to the partner on Form 480.60 EC.

Line 5(b) - Enter the carryover losses which were not claimed in previous years due to the limitation. This amount must be the same as line 6, Part III of Schedule R Corporation included on the income tax return of tax year 2016. If a partner owns shares in losses from more than one partnership or special partnership, the balance subject to the loss carryover, as determined on the previous taxable year, will be proportionally attributed to the loss of each one of the partnerships. Said attribution will be done by using as factor the adjusted basis of the partner's share in each one of the partnerships at the end of the previous taxable year.

Line 6 - Enter on this line the amount determined in Part I, line 4. If the special partnership or partnership has an exemption decree under the Puerto Rico Tourism Incentives Act or the Puerto Rico Tourism Development Act, you may use the debts of the special partnership or partnership, as reported on line F, Part I of Form 480.60 EC, in proportion to your share, to increase your adjusted basis on line 6(b), only to claim losses of the special partnership or partnership from this activity.

Also, include on line 6(c) the portion of the partnership's current debts assumed by the partner that are guaranteed by such partner as established on Form 480.60 EC, Part I, line E.

Line 7 - Enter the partner's distributable share in the income and profits derived from the special partnership or partnership during the year. This amount is reflected on Form 480.60 EC. Exclude the net income subject to special fixed tax rate derived from operations of a business with a tax exemption decree.

Line 8 - Enter the smaller of the amounts on lines 5(c) and 6(d). This will be the maximum admissible amount of losses for this taxable year that you may claim as a deduction against income from other partnerships or special partnerships, subject to the limitations established by the Code and that are computed in Part III.

PART III – DISTRIBUTABLE SHARE ON BENEFITS FROM PARTNERSHIPS AND SPECIAL PARTNERSHIPS

Line 4 - The amount allowed as loss cannot exceed 80% of the aggregated net income derived from partnerships and special partnerships generated during the current taxable year, that is shown on line 1 of this part.

Line 6 - If the result is a **net loss**, it is not deductible but you may carry it for future years. The balance of the carry forward loss is attributed proportionally to the loss in each one of the entities. The allocation will be done by using as factor the adjusted basis of the partner interest in each one of the entities at the close of the taxable year.

SCHEDULE R1 CORPORATION – PARTNERSHIPS AND SPECIAL PARTNERSHIPS (COMPLEMENTARY)

Complete Schedule R1 Corporation, if the corporation is a partner of more than three partnerships or special partnerships. As Schedule R Corporation, Schedule R1 Corporation is used each year to determine the adjusted basis and the net profit or loss on the partner's share in each partnership or special partnership, including the loss carryover from previous years.

Use the amount of Schedules R1 Corporation as needed. For additional information, see the instructions of Schedule R Corporation.

DUTY TO PAY ESTIMATED TAX

According to the provisions of Section 1061.23 of the Code, every corporation engaged in trade or businesses in Puerto Rico, subject to tax under the provisions of Subchapter A of the Code, must pay an estimated tax for the taxable year.

ESTIMATED TAX COMPUTATION

The estimated tax computation, including the alternative minimum tax, will be made using an approximate calculation of the gross income that can reasonably be expected that the corporation will receive or accumulate, as applicable, depending on the accounting method in which the net income determination is based on, and an approximate calculation of the deductions and credits provided by the Code or special acts, including the non refunded tax paid in excess corresponding to the previous taxable year.

PAYMENT OF ESTIMATED TAX

The estimated tax for the taxable year will be paid in four installments:

- 1st installment: the 15th day of the fourth month
- 2nd installment: the 15th day of the sixth month
- 3rd installment: the 15th day of the ninth month
- 4th installment: the 15th day of the twelfth month

If the duty to pay estimated tax arises for the first time after the last day of the third month and prior to the first day of the sixth month of the taxable year, the installments will be:

- 1st installment: the 15th day of the sixth month
- 2nd installment: the 15th day of the ninth month
- 3rd installment: the 15th day of the twelfth month

If the duty to pay estimated tax arises for the first time after the last day of the fifth month and prior to the first day of the ninth month of the taxable year, the installments will be:

- 1st installment: the 15th day of the ninth month
- 2nd installment: the 15th day of the twelfth month

If the duty to pay estimated tax arises for the first time after the last day of the eighth month and prior to the fifteenth day of the twelfth month of the taxable year, the estimated tax will be paid in its entirety on the 15th day of the twelfth month of the taxable year.

The estimated tax installments will be paid together with a payment coupon (Form 480.E-1) at the Internal Revenue Collections Offices or mailed to the Returns Processing Bureau to the following address:

DEPARTMENT OF THE TREASURY
 RETURNS PROCESSING BUREAU
 PO BOX 9022501
 SAN JUAN PR 00902-2501

You may also make the payments without the need of a coupon using Payments Online. For additional information, please call (787) 622-0123.

Payments with managers checks, checks or money orders at the Internal Revenue Collections Offices will be made payable to the Secretary of the Treasury.

CHANGES IN THE ESTIMATED TAX COMPUTATION

If there is any change in the estimated tax computation as a result of a change in income, deductions or for any other reason, the remaining installments must be proportionally increased or reduced to reflect the increase or reduction in the estimated tax.

PENALTIES

The Code establishes in Section 6041.10 a 10% penalty of the amount not paid of any estimated tax installment. For these purposes, the estimated tax will be the smaller of:

- 1) 90% of the tax for the taxable year, or
- 2) the larger between:
 - (a) the total tax determined as it results from the preceding year's income tax return, or
 - (b) an amount equal to the tax computed at the rates and under the act applicable to the taxable year using the data included in the income tax return of the previous year.

The previous clause (2) will not be applicable if the previous taxable year was not a 12 month taxable year, or if the corporation filed a tax return for that previous taxable year in which a tax determined was not reflected, without taking into consideration any credit to which the corporation had been entitled, including credits for taxes withheld or paid. On the other hand, you can take into consideration any credit for taxes paid or accumulated during the taxable year to the United States, its territories and possessions, or any foreign country to which you are entitled.
