

GOBIERNO DE PUERTO RICO
DEPARTAMENTO DE HACIENDA

CONFIGURE PROXY

The screenshot shows the '2011 W2 and Informatives Program' interface. The title bar includes the Puerto Rico government logo and the text '2011 W2 and Informatives Program Version 9.0.0'. On the left, there is a sidebar with 'CopyRight', 'Utilities', and 'Languages' sections. The main area is divided into two sections: 'Select Data Path:' and 'Proxy Settings:'. The 'Select Data Path:' section has a text box containing 'C:\DH\INFORMATIVAS\Data\2011' and a 'Browse' button. The 'Proxy Settings:' section has a checked checkbox labeled 'Check to activate your proxy settings.'. Below this, there are four input fields: 'Server:' with '10.1.2.3', 'User:' with 'MyUser', 'Port:' with '8080', and 'Password:' with a masked password '***'. A 'Save' button is located below the password field. At the bottom of the window, there are four buttons: 'User Manual', 'Create', 'Open', and 'Exit'.

To configure the options of a Proxy Settings, check the “Check to activate your proxy settings.” Checkbox and specify the following information:

1. Server – IP Address where the Proxy is located.
2. Port – The open Port where the communication between the PC and the Server will pass.
3. Username – Username to login to the proxy server.
4. Password – The password to that username.

Once the required information in complete, press the **Save** button.
