- The Puerto Rico Department of the Treasury ("Hacienda"), the Government of Puerto Rico (the "Government"), and each of their respective officers, directors, employees, agents, attorneys, advisors, members, partners or affiliates (collectively, with Hacienda and the Government the "Parties") make no representation or warranty, express or implied, to any third party with respect to the information contained herein and all Parties expressly disclaim any such representations or warranties.
- The Parties do not owe or accept any duty or responsibility to any reader or recipient of this presentation, whether in contract or tort, and shall not be liable for or in respect of any loss, damage (including without limitation consequential damages or lost profits) or expense of whatsoever nature of such third party that may be caused by, or alleged to be caused by, the use of this presentation or that is otherwise consequent upon the gaining of access to this document by such third party.
- This document does not constitute an audit conducted in accordance with generally accepted auditing standards, an examination of internal controls or other attestation or review services in accordance with standards established by the American Institute of Certified Public Accountants or any other organization. Accordingly, the Parties do not express an opinion or any other form of assurance on the financial statements or any financial or other information or the internal controls of the Government and the information contained herein.
- Any statements and assumptions contained in this document, whether forward-looking or historical, are not guarantees of future performance and involve certain risks, uncertainties, estimates and other assumptions made in this document. The economic and financial condition of the Government and its instrumentalities is affected by various financial, social, economic, environmental and political factors. These factors can be very complex, may vary from one fiscal year to the next and are frequently the result of actions taken or not taken, not only by the Government and its agencies and instrumentalities, but also by entities such as the government of the United States. Because of the uncertainty and unpredictability of these factors, their impact cannot be included in the assumptions contained in this document. Future events and actual results may differ materially from any estimates, projections, or statements contained herein. Nothing in this document should be considered as an express or implied commitment to do or take, or to refrain from taking, any action by The Puerto Rico Department of Treasury ("Hacienda"), the Government, or any government instrumentality in the Government or an admission of any fact or future event. Nothing in this document shall be considered a solicitation, recommendation or advice to any person to participate, pursue or support a particular course of action or transaction, to purchase or sell any security, or to make any investment decision.
- By receiving this document, the recipient shall be deemed to have acknowledged and agreed to the terms of these limitations.
- This document may contain capitalized terms that are not defined herein, or may contain terms that are discussed in other documents or that are commonly understood. You should make no assumptions about the meaning of capitalized terms that are not defined, and you should consult with advisors of The Puerto Rico Department of Treasury ("Hacienda") should clarification be required.

Schedule 2: Medical Services Administration ("ASEM") - Actual Results, Month of May 2023

Primary Business Activity: ASEM plans, organizes, operates, and administers centralized health services, provided in support of the hospital and other functions, offered to member institutions and users of the medical complex, the Puerto Rico Medical Center.

Key Takeaways:

May YTD, cash increased \$0.8M, from \$7.6M to \$8.4M driven by higher receipts of \$223.5M mainly from the intergovernmental sector. Disbursements are at (\$222.7M), which includes around (\$32.5M) of utilities payment pertaining to last fiscal year. There are ongoing risks to liquidity at ASEM primarily driven by timing/collection risk associated with large institutional payers. They are highly dependable on contributions from the General Fund.

Schedule 3: Puerto Rico Integrated Transit Authority ("PRITA") - Actual Results, Month of March 2023

Primary Business Activity: PRITA serves as the Commonwealth's central transit authority and is tasked with operating its network of public transit buses and certain maritime vessels.

Key Takeaways:

Mar YTD, cash increased by \$10.7M; from \$22.8M to \$33.5M mainly driven by higher receipts in General Funds allocations and Federal Funds for maintenance. The Ferry Project was approved, and PRITA received a special transfer of \$37.2M from the General Fund reserved for payments to Hornblower Maritime Services: a new third-party operator of Ferries. Funds were moved to a custody account and the remaining balance of \$10.6M is presented as restricted funds. Payments to Hornblower Maritime Services (HMS) as of March 2023 amount to \$26.6M.

Schedule 4: State Insurance Fund Corporation ("FONDO") - Actual Results, Month of May 2023

Primary Business Activity: Fondo provides workers' compensation and disability insurance to public and private employees. Fondo is the only authorized workers' compensation insurance company on the Island. Both public and private companies must obtain this security for their workforces by law.

Key Takeaways:

May YTD, cash increased by \$323.1M, from \$457.3M to \$780.4M. The cash built was driven by strong premium collections of \$763.8M, partially offset by controlled operating costs (\$440.7M), both amounts exclude \$8.0M of the Upside Participation Bonus. The need of equipment purchases has remained low as well as and claims-related payments. Premiums receipts are high in July/September and January/February where employers' premiums are due. All other months vary depending on the volume of private construction projects. Fondo provides with unlimited medical services to its insured population, and there is a high degree of variability in the cost of services.

Schedule 7: Cardiovascular Center of Puerto Rico and the Caribbean ("Cardio") - Actual Results, Month of May 2023

Primary Business Activity: Cardio is a general acute care hospital providing specialized treatment to patients suffering from cardiovascular diseases.

Key Takeaways:

May YTD, cash decreased by (\$4.6M), from \$37.4M to \$32.8M mainly driven by lower receipts and a higher need of specialized services (Purchased and Professional Services). Cardio received a special assignment of \$5.0M from General Fund constrained to CapEx investment, of which (\$0.5M) were invested through May 2023. Remaining balance stands at \$4.5M reflected herein as a transfer to restricted account.

Schedule 8: Puerto Rico Industrial Development Company ("PRIDCO") - Actual Results, Month of May 2023

Primary Business Activity: PRIDCO is engaged in the development and promotion of industry within Puerto Rico. It accomplishes its mission through a variety of incentives to attract businesses to expand operations within Puerto Rico, but primarily through the offering of commercial lease spaces and industrial facilities on favorable terms to qualifying enterprises.

Key Takeaways:

May YTD, unrestricted cash increased by \$19.8M, from \$46.0M to \$65.8M. These amounts are exclusive of restricted funds earmarked for incentives. The increase was driven by proceeds on sales of properties, rental receipts, further enhanced by controlled operating costs and delays in disbursements of CapEx projects. These were partially offset by non-operating expenses such as Pay-Go liability plan and Bondholders payments.

Schedule 10: Tourism Company of Puerto Rico ("Tourism") - Actual Results, Month of May 2023

Primary Business Activity: Tourism's purpose is to promote the tourism industry of Puerto Rico.

Key Takeaways:

May YTD, cash increased by \$21.7M, from \$100.6M to \$122.3M driven by outstanding operating receipts of \$160.9M from a higher volume of tourists visiting Puerto Rico, new air and cruise line routes, supported by marketing efforts. Controlled disbursements totaling (\$139.2M) also helped for such a rise. The latter includes (\$30.3M) transferred to Hacienda regarding last year's room taxes reserve, and a contribution of (\$17.0M) to the Office of Management and Budget.

Schedule 13: Puerto Rico Convention Center District Authority ("CCDA") - Actual Results, Month of May 2023

Primary Business Activity: CCDA develops, manages, and oversees the Puerto Rico Convention Center, the Coliseo de Puerto Rico José Miguel Agrelot, Bahía Urbana, and other adjacent hospitality, commercial, and residential developments.

Key Takeaways:

May YTD, cash increased by \$1.2M, from \$45.8M to \$47.0M. It includes the impacts of activities subsidized by ARPA funds of (\$4.8M), and utilities payment pertaining to last FY for (\$2.7M). This was partially offset by intergovernmental receipts of \$6.4M, and positive operating results of \$2.3M. To note, about half of CCDA's reported cash balances consist of non-operating funds for CapEx, promoter ticket sales reserves, and federal funds - ARPA. There are no liquidity concerns forecasted.

Schedule 15: Puerto Rico Automobile Accident Compensation Administration ("ACAA") - Actual Results, Month of May 2023

Primary Business Activity: ACAA administers insurance for health services and compensation to benefit victims of car accidents and their dependents. ACAA pays for medical-hospital services offered by third party providers and compensates victims and dependents of deceased victims who were involved in an accident.

Key Takeaways:

May YTD, cash increased by \$3.5M, from \$34.7M to \$38.2M. This was mostly driven by low disbursements related to claims, and controlled operating expenses. This was partially offset by pending premium collections of April 2023.
