- The Puerto Rico Department of the Treasury ("Hacienda"), the Government of Puerto Rico (the "Government"), and each of their respective officers, directors, employees, agents, attorneys, advisors, members, partners or affiliates (collectively, with Hacienda and the Government the "Parties") make no representation or warranty, express or implied, to any third party with respect to the information contained herein and all Parties expressly disclaim any such representations or warranties.
- The Parties do not owe or accept any duty or responsibility to any reader or recipient of this presentation, whether in contract or tort, and shall not be liable for or in respect of any loss, damage (including without limitation consequential damages or lost profits) or expense of whatsoever nature of such third party that may be caused by, or alleged to be caused by, the use of this presentation or that is otherwise consequent upon the gaining of access to this document by such third party.
- This document does not constitute an audit conducted in accordance with generally accepted auditing standards, an examination of internal controls or other attestation or review services in accordance with standards established by the American Institute of Certified Public Accountants or any other organization. Accordingly, the Parties do not express an opinion or any other form of assurance on the financial statements or any financial or other information or the internal controls of the Government and the information contained herein.
- Any statements and assumptions contained in this document, whether forward-looking or historical, are not guarantees of future performance and involve certain risks, uncertainties, estimates and other assumptions made in this document. The economic and financial condition of the Government and its instrumentalities is affected by various financial, social, economic, environmental and political factors. These factors can be very complex, may vary from one fiscal year to the next and are frequently the result of actions taken or not taken, not only by the Government and its agencies and instrumentalities, but also by entities such as the government of the United States. Because of the uncertainty and unpredictability of these factors, their impact cannot be included in the assumptions contained in this document. Future events and actual results may differ materially from any estimates, projections, or statements contained herein. Nothing in this document should be considered as an express or implied commitment to do or take, or to refrain from taking, any action by The Puerto Rico Department of Treasury ("Hacienda"), the Government, or any government instrumentality in the Government or an admission of any fact or future event. Nothing in this document shall be considered a solicitation, recommendation or advice to any person to participate, pursue or support a particular course of action or transaction, to purchase or sell any security, or to make any investment decision.
- By receiving this document, the recipient shall be deemed to have acknowledged and agreed to the terms of these limitations.
- This document may contain capitalized terms that are not defined herein, or may contain terms that are discussed in other documents or that are commonly understood. You should make no assumptions about the meaning of capitalized terms that are not defined, and you should consult with advisors of The Puerto Rico Department of Treasury ("Hacienda") should clarification be required.

**Primary Business Activity:** The Puerto Rico Ports Authority is responsible for developing, improving, and administering all types of transportation facilities and air/sea services, as well as establishing and managing maritime collective transportation systems in, from, and to Puerto Rico.

#### **Key Takeaways:**

Sept YTD, unrestricted cash decreased by (\$1.3M), from \$211.3M to \$210.0M mainly driven by incremental expenses in Professional Services and Purchase Services of (\$17.5), (\$7.7M) in Capex, (\$5.3M) in Facilities and Payments for Public Services and (\$6.0M) in all other Operating Disbursements . These were partially offset by \$19.8M from Operating Receipts, \$10.3M in Other Receipts, and \$5.1M in Federal Funds Receipts.

Schedule 2: Medical Services Administration ("ASEM") - Actual Results, Month of September 2024

**Primary Business Activity**: ASEM plans, organizes, operates, and administers centralized health services, provided in support of the hospital and other functions, offered to member institutions and users of the medical complex, the Puerto Rico Medical Center.

#### **Key Takeaways**

Sep YTD, cash decreased by (\$1.0M), from \$4.7M to \$3.7M mainly driven by higher Payroll and Related Cost of (\$32.0M), which includes (\$4.4M) of payroll regarding FY24, (\$26.9M) of Other Operating Disbursements, (\$3.1M) PayGo contributions, and (\$5.2M) of Transfers to Restricted Accounts. These were partially offset by intergovernmental revenues of \$59.2M, and \$7.0M in operating receipts. There are ongoing risks to liquidity at ASEM primarily driven by timing/collection risk associated with large institutional payers. They are highly dependable on contributions from the General Fund.

Schedule 4: State Insurance Fund Corporation ("FONDO") - Actual Results, Month of May 2024

**Primary Business Activity**: Fondo provides workers' compensation and disability insurance to public and private employees. Fondo is the only authorized workers' compensation insurance company on the Island. Both public and private companies must obtain this security for their workforces by law.

#### **Key Takeaways:**

May YTD, cash decreased by (\$351.2M), from \$771.6M to \$420.4M. Such decrease was driven by a transfer of \$700.0M to an investment account. Excluding this transfer, there would have been an increase of \$331.8M due to strong operating results, further enhanced by a transfer of \$17.0M from a restricted account related to insurance and FEMA proceeds earmarked for building repairs. Premium receipts are elevated in July/August and January/February when employers' premiums are due. During other months, receipts vary depending on the volume of private construction projects. Fondo provides unlimited medical services to its insured population, resulting in a high degree of variability in the cost of services.
