Independent Auditor's Report

To the Owner and the Municipality of San Juan Comunidad Del Retiro

Report on the Financial Statements

We have audited the accompanying financial statements of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan), which comprise the statement of financial position as of June 30, 2021, and the related statements of revenue, expenses and changes in net position and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan) as of June 30, 2021, and the changes in its net position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplemental Information

Management has omitted management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information on pages 19 to 30 is presented for purposes of additional analysis as required by the Consolidated Audit Guide for Audits of HUD Programs issued by the U.S. Department of Housing and Urban Development, Office of the Inspector General, and is not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations ("CFR") Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects in relation to the financial statements as a whole.

Emphasis of Matter

The accompanying financial statements reflect only the accounts of the Project, Comunidad del Retiro, a non-major special revenue fund within the governmental funds of the Municipality of San Juan, and are not intended to represent the financial position and results of operations of its owner, the Municipality of San Juan.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 9, 2021, on our consideration of Comunidad del Retiro's (a Component Unit of the Municipality of San Juan) internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Comunidad del Retiro's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Comunidad del Retiro's (a Component Unit of the Municipality of San Juan) internal control over financial reporting and compliance.

San Juan, Puerto Rico September 9, 2021 Winell Bellente, CPA License No. R-188Pue

Notes to Financial Statements
June 30, 2021

Note 1 - Organization and nature of operations

Comunidad Del Retiro (a Component Unit of the Municipality of San Juan) (the "Project"), a blended component unit of the Municipality of San Juan ("Municipality"), was formed on September 25, 1976 for the purpose of operating a 356-unit housing project for the elderly and/or handicapped, located in Rio Piedras, Puerto Rico. The Project is managed by an independent administrator under Section 231 of the National Housing Act, as amended, and regulated by the U.S. Department of Housing and Urban Development ("HUD") as to rent charges and operating methods.

Surplus cash, as defined by HUD, is required to be deposited into a residual receipts reserve.

Legal title to the Project is held by the Municipality. The accompanying financial statements are those of the Project and do not represent the financial statements of the Municipality. The Project is reported as a nonmajor special revenue fund within the governmental funds of the Municipality.

Note 2 - Significant accounting policies

Basis of presentation

The Project's accompanying financial statements have been prepared using the accrual method of accounting and on the basis of accounting principles generally accepted in the United States of America ("GAAP").

Generally accepted accounting principles

The Project has adopted GASB Statement No. 34, *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments*. Under GASB Statement No. 34, net position should be reported as restricted when constraints placed on net position use are either: externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or are imposed by law through constitutional provisions or enabling legislation. Accordingly, a portion of net position of the Project are restricted.

The Annual Financial Report may include a Management's Discussion and Analysis. Since the Project is a non-major special revenue fund within the governmental funds included in the Municipality's Comprehensive Annual Financial Report, a separate Management's Discussion and Analysis is not required in these financial statements.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Restricted deposits and funded reserves

Restricted deposits and funded reserves are recorded in compliance with HUD and the Municipality regulations requiring participating entities to provide for certain expenses of the Project.

Notes to Financial Statements June 30, 2021

Accounts receivable and bad debts

Tenant receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

Rental requirements

The Project's regulatory agreement with HUD and the Municipality requires the units to be rented to very low-income adults with disabilities and very low-income elderly persons.

Capital assets

Capital assets are recorded at cost. Additions or betterments of \$1,000 or more are capitalized and depreciated. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Buildings are depreciated over 40 years. Improvements other than buildings are depreciated over 15 years. Useful lives for furniture and equipment range from 5 to 15 years.

Impairment of long-lived assets

The Project reviews its rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. No impairment loss was recognized during the year ended June 30, 2021.

Rental income

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Project and tenants of the property are operating leases.

Income taxes

No provision or benefit for income taxes has been included in these financial statements since neither the Project nor the Municipality is subject to income taxes.

Note 3 - Cash

Cash of the Project is described as follows:

Deposits

Custodial credit risk: Custodial credit risk for deposits is the risk that in the event of a bank failure, the Project's deposits may not be returned to it. The Commonwealth of Puerto Rico prescribes that local government units, such as the Project, must deposit their cash in banks transacting business in the Commonwealth of Puerto Rico, and that such banks must secure any deposits in excess of Federal Deposit Insurance Corporation insurance levels with collateral whose market value is at least equal to the deposits. As of June 30, 2021, all of the Project's deposits were either covered by federal depository insurance or were covered by collateral held by the Municipality's agent in the Municipality's name.

Notes to Financial Statements June 30, 2021

Note 4 - Property management fee

The Project is managed by DWH Business Services, Inc., an unrelated third party, pursuant to a management agreement approved by HUD. The current management agreement provides for a management fee of 5% of gross revenue. Such fee charged to activities for the year ended June 30, 2021 amounted to \$118,910.

Note 5 - Restricted deposits and funded reserves

Replacement reserve

The Project is required to maintain a replacement reserve to be used for potential future capital improvements of the Project. Effective May 1, 2017, the required monthly deposit increased to \$1,192. As of June 30, 2021, the replacement reserve balance was \$192,522.

Residual receipts reserve

The Project maintains a residual receipts reserve. The Project is required to deposit surplus cash into the residual receipts account within 60 days of the end of the fiscal year. As of June 30, 2021, the residual receipts reserve balance was \$561,588.

Note 6 - Capital assets

Capital assets activity for the Project for the year ended June 30, 2021 was as follows:

	Beginning balance	Additions/ transfers	Deletions/ transfers	Ending balance
Capital assets not being depreciated Land	\$ 533,247	<u> </u>	\$ -	\$ 533,247
Capital assets being depreciated Building and improvements Furniture, fixtures and equipment	10,655,347 2,405,78 ²			10,655,347 2,567,851
Total capital assets (being depreciated)	13,061,128	162,070		13,223,198
Accumulated depreciation for Building and improvements Furniture, fixtures and equipment	(9,920,393 (2,239,463	, , ,	<u> </u>	(9,940,344) (2,294,463)
Total accumulated depreciation	(12,159,856	(74,951)		(12,234,807)
Total capital assets being depreciated, net	901,272	87,119		988,391
Capital assets, net	\$ 1,434,519	9 \$ 87,119	\$ -	\$ 1,521,638

Note 7 - Housing assistance payment agreement

HUD has contracted with the Project pursuant to Section 8 of Title II of the Housing and Community Development Act of 1974 to make housing assistance payments to the Project on behalf of qualified tenants. The agreement will expire on May 1, 2038.

Notes to Financial Statements June 30, 2021

Note 8 - Current vulnerability due to certain concentrations

The Project's principal asset is a 356-unit apartment project. The Project's activities are concentrated in the multifamily real estate market. In addition, the Project operates in a heavily regulated environment. The activities of the Project are subject to the administrative directives, rules and regulations of federal agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes may occur with little notice or inadequate funding to pay for the related cost, including the additional administrative burden, to comply with a change.

Note 9 - Statement of cash flows

The following table provides a reconciliation of cash and restricted cash reported within the statement of financial position that sum to the total of the same such amounts in the statement of cash flows:

Cash - operations	\$ 417,333
Tenant deposits	66,239
Escrow deposits	54,401
Reserve for replacements	 192,522
Total cash and restricted cash shown in the	
statement of cash flows	\$ 730,495

Amounts included in restricted cash are comprised of security deposits held in trust for the future benefit of tenants upon moving out of the property and other reserves that are not required by any regulatory authority.

Note 10 - Real estate tax exemption

The Commonwealth of Puerto Rico has granted the Project a tax exemption from local and municipal property tax. The exemption is a result of the Project's status as a tax-exempt organization.

Note 11 - Contingency

In early 2020, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. As a result, events have occurred including mandates from federal, state and local authorities leading to an overall decline in economic activity which could result in a loss of lease revenue and other material adverse effects to the Project's financial position, results of operations, and cash flows. As of June 30, 2021, the global pandemic is still ongoing. Management continues to monitor the results of operations to evaluate the economic impact of the pandemic on the Project.

Notes to Financial Statements June 30, 2021

Note 12 - Subsequent events

Events that occur after the statement of financial position date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of financial position date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of financial position date require disclosure in the accompanying notes. Management evaluated the activity of the Project through September 9, 2021 (the date the financial statements were available to be issued) and concluded that no events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Total expenditures of federal awards			\$	1,824,258

Notes to Schedule of Expenditures of Federal Awards Year Ended June 30, 2021

Note 1 - Basis of presentation

The accompanying schedule of expenditures of federal awards includes the federal award activity of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan), HUD Project No.: 056-38006NP, under programs of the federal government for the year ended June 30, 2020. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards ("Uniform Guidance"). Because the Schedule presents only a selected portion of the operations of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan), it is not intended to and does not present the financial position, changes in net position, or cash flows of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan).

Note 2 - Summary of significant accounting policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, the cost principles contained in OMB Circular A-122, "Cost Principles for Non-Profit Organizations" and the cost principles contained in the Uniform Guidance. Comunidad Del Retiro (a Component Unit of the Municipality of San Juan), has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with Government Auditing Standards

To the Owner and the Municipality of San Juan Comunidad Del Retiro

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan), which comprise the statement of financial position as of June 30, 2021, and the related statements of revenue, expenses and changes in net position and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 9, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Comunidad Del Retiro's (a Component Unit of the municipality of San Juan) internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Comunidad Del Retiro's (a Component Unit of the municipality of San Juan) internal control. Accordingly, we do not express an opinion on the effectiveness of Comunidad Del Retiro's (a Component Unit of the municipality of San Juan) internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Comunidad Del Retiro's (a Component Unit of the municipality of San Juan) financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for Each Major Federal Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Owner and the Municipality of San Juan Comunidad Del Retiro

Report on Compliance for Each Major Federal Program

We have audited Comunidad Del Retiro's (a Component Unit of the Municipality of San Juan) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Comunidad Del Retiro's (a Component Unit of the Municipality of San Juan) major federal programs for the year ended June 30, 2021. Comunidad Del Retiro's (a Component Unit of the Municipality of San Juan) major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Comunidad Del Retiro's (a Component Unit of the Municipality of San Juan) major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Comunidad Del Retiro's (a Component Unit of the Municipality of San Juan) compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Comunidad Del Retiro's (a Component Unit of the Municipality of San Juan) compliance.

Opinion on Each Major Federal Program

In our opinion, Comunidad Del Retiro (a Component Unit of the Municipality of San Juan) complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan) is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Comunidad Del Retiro's (a Component Unit of the Municipality of San Juan) internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Comunidad Del Retiro's (a Component Unit of the Municipality of San Juan) internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Schedule of Findings and Questioned Costs June 30, 2021

A. Summary of Auditor's Results

- 1. The auditor's report expresses an unmodified opinion on whether the financial statements of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan) were prepared in accordance with generally accepted accounting principles.
- No significant deficiencies related to the audit of the financial statements were reported in the Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards. No material weaknesses were reported.
- 3. No instances of noncompliance material to the financial statements of Comunidad Del Retiro (a Component Unit of the Municipality of San Juan), which would be required to be reported in accordance with *Government Auditing Standards* were disclosed during the audit.
- 4. No significant deficiencies in internal control over the major federal award program were disclosed during the audit and reported in the Independent Auditor's Report on Compliance for Each Major Federal Program and on Internal Control over Compliance Required by the Uniform Guidance. No material weaknesses were reported.
- 5. The auditor's report on compliance for over the major federal award program for Comunidad Del Retiro (a Component Unit of the Municipality of San Juan) expresses an unmodified opinion on all major federal programs.
- 6. There are no audit findings relative to the major federal award program for Comunidad Del Retiro (a Component Unit of the Municipality of San Juan).
- 7. The program tested as a major program was:
 - U.S. Department of Housing and Urban Development
 - 14.195 Section 8 Housing Assistance Payments
- 8. The threshold for distinguishing between Type A and B programs was \$750,000.
- 9. Comunidad Del Retiro (a Component Unit of the Municipality of San Juan) was determined to be a low-risk auditee.

B. Findings - Financial Statements Audit

None

C. Findings and Questioned Costs - Major Federal Award Program Audit

None
