PARTNERSHIP INFORMATIVE INCOME TAX RETURN - COMPOSITE (FORM 480.10(SC)) GENERAL INSTRUCTIONS

WHO CAN FILE THIS RETURN?

The partners of a partnership engaged in a trade or business in Puerto Rico are considered engaged in such trade or business in Puerto Rico with respect to their distributable share, according to the provisions of Section 1071.01 of the Puerto Rico Internal Revenue Code of 2011, as amended ("Code"). Therefore, if a partnership is engaged in a trade or business in Puerto Rico ("Resident Partnership" or "Partnership"), its partners will earn income related to the trade or business in Puerto Rico with respect to their distributable share in the income, gain, loss, deductions or credits of the Resident Partnership.

Pursuant to the provisions of Administrative Determination No. 12-07 of March 14, 2012, nonresident partners of a Resident Partnership may choose to file a Partnership Informative Income Tax Return - Composite.

For these cases, the Department of the Treasury provides the Resident Partnership the alternative to file this Partnership Informative Income Tax Return – Composite (Form 480.10(SC)) ("Composite Return") on behalf of its nonresident partners or members that are partnerships or limited liability companies ("LLC") treated as partnerships under the Code ("Nonresident Intermediate Entities" or "Nonresident Partners").

This return must be filed by the Resident Partnership on behalf of its Nonresident Partners that choose to be included in the Composite Return and that duly complete Schedule I (SC), following the instructions that are included below. Therefore, the filing of this Composite Return is an election of each Nonresident Partner of the Resident Partnership.

For purposes of this return, the terms partnership and partner include a limited liability company and any of its members if they are subject to the provisions of Chapter 7 of Subtitle A of the Code.

EXCEPTION: Section 1092.06(b) of the Code provides that, subject to those conditions, limitations and exceptions established by the Secretary, Nonresident Partners that are treated as engaged in trade or business in Puerto Rico only because of Section 1071.01 of the Code, can be exempted from the obligation to file an income tax return if the income tax withheld by the Resident Partnership and submitted to the Department of the Treasury on behalf of this partner satisfies its tax responsibility in Puerto Rico.

The Nonresident Intermediate Entities that choose <u>NOT</u> to be included in the Composite Return (or who cannot file the same because of having earned other income from sources within Puerto Rico) will have the obligation to file an income tax return in Puerto Rico according to the provisions of the Code.

WHEN AND WHERE TO FILE?

This composite return must be filed no later than the 15th day of the third month following the close of the taxable year of the partnership that files, at the request of its Nonresident Partners who constitute intermediate pass-through entities and who choose to fulfill their tax responsibility by filing this Composite Return.

The return must be filed at the Department of the Treasury, Returns Processing Bureau, located at 10 Paseo Covadonga, Intendente Ramírez Building in Old San Juan, or sent by mail to the following address:

DEPARTMENT OF THE TREASURY PO BOX 9024140 SAN JUAN PR 00902-4140

It may also be filed at any Internal Revenue Collections Office.

AUTOMATIC EXTENSION OF TIME TO FILE THE RETURN

A six (6) months automatic extension of time to file the return will be granted, if it is requested not later than the due date to file the return. The request shall be electronically filed using Form AS 2644 through the Resident Partnership's account in the Internal Revenue Integrated System (SURI, for its Spanish acronym), according to the following the steps:

- 1. Login to your SURI account.
- 2. In the *Summary* section, find the Pass-Through Entity account, and in the *Account* option, choose the *View returns*, *periods*, *and other options* link.
- 3. In the *Periods* menu, select the corresponding taxable period of the Extension Request, and choose the *Request income tax return extension link* that is available in the upper right corner.
- Follow the system's instructions. In the Taxpayer type screen, choose Other taxpayers (Line 17, Part III) and in the Other taxpayers option, select the Form 480.10(SC) (Line 17b, Part III) option.
- 5. Once you have submitted the Automatic Extension of Time Request, the system will issue a confirmation message and you will have the choice to select *Printable confirmation* to get a copy of the submitted Request for Extension of Time. We recommend you keep a copy of said document in your records.

You can also file the Extension Request through the main page of the SURI system without log in to the taxpayer's SURI account. For additional information regarding the Automatic Extension of Time Request for taxable year 2021, refer to the Internal Revenue Circular Letter No. 22-09.

This extension must be in addition to the one that may be requested by the Resident Partnership to file the Informative Income Tax Return Pass-Through Entity (Form 480.20(EC)).

COLUMN OF CENTS

When filling out the return, do not use the column for cents. That way we can expedite its processing.

It is important to remind you that it is not about rounding off, but eliminating the cents. See the following example:

\$480.90 = \$480 \$475.25 = \$475
