PASS-THROUGH ENTITY INFORMATIVE INCOME TAX RETURN - COMPOSITE
FORM 480.10(SC)
GENERAL INSTRUCTIONS

WHO CAN FILE THIS RETURN?

Every owner of a partnership, corporation or limited liability company ("LLC") engaged in trade or business in Puerto Rico that elects to be treated as a pass-through entity, is considered engaged in such trade or business in Puerto Rico with respect to their distributable share, according to the provisions of Sections 1071.01 and 1078.01 of the Puerto Rico Internal Revenue Code of 2011, as amended ("Code"). Therefore, if a pass-through entity is engaged in trade or business in Puerto Rico ("Resident Entity" or "Entity"), its owners will earn income related to the trade or business in Puerto Rico with respect to their distributable share in the income, gain, loss, deductions or credits of the Resident Entity.

Pursuant to the provisions of Administrative Determination No. 12-07 of March 14, 2012 ("AD 12-07"), nonresident owners of a Resident Entity may choose to file a Pass-Through Entity Informative Income Tax Return - Composite.

For these cases, the Department of the Treasury provides the Resident Entity the alternative to file this Pass-Through Entity Informative Income Tax Return - Composite (Form 480.10(SC)) ("Composite Return") on behalf of its nonresident owners that are partnerships, corporations or limited liability companies treated as pass-through entities under the Code ("Nonresident Intermediate Entities" or "Nonresident Owners").

This return must be filed by the Resident Entity on behalf of its Nonresident Owners that choose to be included in the Composite Return and that duly complete Schedule I (SC), following the instructions that are included below. Therefore, the filing of this Composite Return is an election of each Nonresident Owner of the Resident Entity.

For purposes of this return, the terms entity and owner include a corporation or limited liability company and any of its members if they are subject to the provisions of Chapter 7 of Subtitle A of the Code.

EXCEPTION: Section 1092.06(b) of the Code provides that, subject to those conditions, limitations and exceptions established by the Secretary, Nonresident Owners that are treated as engaged in trade or business in Puerto Rico only because of Section 1071.01 of the Code, can be exempted from the obligation to file an income tax return if the income tax withheld by the Resident Entity and submitted to the Department of the Treasury on behalf of this owner satisfies its tax responsibility in Puerto Rico.

The Nonresident Intermediate Entities that choose NOT to be included in the Composite Return (or who cannot file the same because of having earned other income from sources within Puerto Rico) will have the obligation to file an income tax return in Puerto Rico according to the provisions of the Code.

WHEN AND WHERE TO FILE?

This composite return must be filed no later than the 15th day of the third month following the close of the taxable year of the entity that files, at the request of its Nonresident Owners who constitute intermediate pass-through entities and who choose to fulfill their tax responsibility by filing this Composite Return.

The return must be filed at the Department of the Treasury, Returns Processing Bureau, located at 10 Paseo Covadonga, Intendente Ramirez Building in Old San Juan, or sent by mail to the following address:

DEPARTMENT OF THE TREASURY
PO BOX 9024140
SAN JUAN PR 00902-4140

It may also be filed at any Internal Revenue Collections Office.

AUTOMATIC EXTENSION OF TIME TO FILE THE RETURN

A six (6) months automatic extension of time to file the return will be granted, if it is requested not later than the due date to file the return. The request shall be electronically filed using Form AS 2644 through the Resident Entity's account in the Internal Revenue Integrated System (SURI, for its Spanish acronym), according to the following the steps:

1. Login to your SURI account.
2. In the *Summary* section, find the Pass-Through Entity account, and in the *Account* option, choose the *View returns, periods, and other options* link.
3. In the *Periods* menu, select the corresponding taxable period of the Extension Request, and choose the *Request income tax return extension link* that is available in the upper right corner.
4. Follow the system's instructions. In the *Taxpayer type screen*, choose *Pass-Through Entity* in the *Type of taxpayers* option, and *Form 480.10(SC)* in the *Return type option*.
5. Once you have submitted the Automatic Extension of Time Request, the system will issue a confirmation message and you will have the choice to select *Printable confirmation* to get a copy of the submitted Request for Extension of Time. We recommend you keep a copy of said document in your records.

You can also file the Extension Request through the main page of the SURI system without log in to the taxpayer's SURI account. For additional information regarding the Automatic Extension of Time Request for taxable year 2023, refer to the Internal Revenue Circular Letter No. 24-04.

This extension must be in addition to the one that may be requested by the Resident Entity to file the Informative Income Tax Return Pass-Through Entity (Form 480.20(EC)).

COLUMN OF CENTS

When filling out the return, do not use the column for cents. That way we can expedite its processing.

It is important to remind you that it is not about rounding off, but eliminating the cents. See the following example:

\$480.90 = \$480
\$475.25 = \$475

PART III - CREDITS

Use lines 1 through 3 of this Part to claim only the tax credits that are considered Pre Tax Credits Manager. The Post Tax Credits Manager credits are claimed in Part VI.

Act 52 of June 30, 2022 ("Act 52-2022") added Section 1051.16 to the Code to authorize the Secretary of the Treasury ("Secretary") to create the Tax Credit Manager ("TCM") as part of the Department's electronic system. In general terms, the TCM is a tool that allows the Department to manage and supervise the tax credits and, on the other hand, allows taxpayers to carry out all transactions related to their tax credits.

According to Administrative Determination No. 22-11 ("AD 22-11"), issued by the Department on December 22, 2022, the date of implementation of the TCM for purposes of determining the Pre TCM and Post TCM Credits, was January 1, 2023.

A Pre TCM Credit will be considered: (1) any tax credit generated in an income tax return corresponding to taxable years beginning before January 1, 2023, including any carryover balance from previous years and; (2) all tax credits, including any carryforward balance from previous years, granted by administrative determination or certification issued by any Regulatory Agency, as such term is defined in Section 1051.16(b)(3) of the Code, which the date of issuance is prior to January 1, 2023. In the case of Credits for Investment in Research and Development Activities, those registered in the Integrated Tax Credit Portal (CCI Portal, for its Spanish acronym) as of January 18, 2023 will also be considered Pre TCM Credits. **Pre TCM Credits will not be registered in the TCM.**

On lines 1 through 2 of this Part, the taxpayer may identify the Pre TCM Credits as subject or not subject to the limitation provided under Section 1051.13 of the Code.

The credits provided below may be claimed subject to the rules of use established in the special act under which they were granted and the applicable provisions of the Code. However, Pre TCM credits may be claimed during a period of three (3) taxable years after the date of implementation of the TCM ("Transition Period"). Any available balance not used from Pre TCM credits at the end of the Transition Period, may not be claimed or carried over to subsequent taxable years.

Pursuant to AD 22-11, the first taxable year of the Transition Period is taxable year 2023, therefore, Pre TCM Credits may be claimed until taxable year 2025. Commencing with the taxable year 2026, Post TCM Credits can only be claimed. During the Transition Period and when the act under which the credit was granted allows it, the holder may sell or assign the Pre TCM Credits and the buyer or

assignee will be subject to the same limitations applicable to the seller on said Pre TCM Credits established in Section 1051.16 of the Code and AD 22-11.

The amount of credit that must be included in the corresponding line of this Part must be the amount of the tax credit available from the Entity to be distributed to the Nonresident Intermediate Entities or Nonresident Owners. It should be noted that in the case of Pre TCM Credits, they will be subject to the provisions of Section 1051.16(h) of the Code.

For additional information on the TCM, refer to AD 22-11, the Internal Revenue Circular Letter No. 23-02 ("IR CL 23-02") and to the next publications to be issued by the Department.

The distributable share of the Nonresident Intermediate Entities in the credits provided below may be claimed subject to the rules of use established in the special act under which said credits are granted and the applicable provisions of the Code. However, credits covered under Section 1051.12(a)(4), (5) and (7) of the Code will be subject to the limitation of use provided in Section 1051.13 of the Code.

Credits acquired through purchase may only be claimed on lines 1(B) and 2(B) of this Part III, as applicable. Lines 1(A), 1(C), 2(A) and 2(C) of this Part III should only be used to claim credits generated during the current taxable year.

PART VI - TAX CREDITS POST TAX CREDITS MANAGER

Use this Part to claim only the tax credits that are considered Post Tax Credits Manager. This includes the credits acquired through purchase and that are considered Post Tax Credits Manager.

Section 1051.16(b)(1) of the Code defines the term *Post TCM Credit* as any tax credit granted under the Code, the Puerto Rico Incentives Code, previous incentive acts or any other special act, as of the date of the implementation of the TCM. As established in AD 22-11, the implementation date of the TCM was January 1, 2023.

Subsection (d) of Section 1051.16 provides that it will be an essential requirement to have the right to claim any Post TCM credit, that the same is registered with the TCM. **Post TCM credits that are not registered in the TCM cannot be claimed against the tax liability.** For detailed information on the process of registering tax credits in the TCM, refer to IR CL 23-02.

In this Part, you must include the tax credits granted as of the date of implementation of the TCM and that are duly registered. **The amount of credit to be included on the corresponding line must be the amount you are claiming against the return tax, net of any limitations, instead of the total amount of credit available.** This is because the amount you enter in this part is the amount by which the credit available in the TCM will be reduced.

As an example, the taxpayer has a Post TCM credit of \$10,000 duly registered in the TCM and the tax determined in the return is \$8,000. Assuming that the taxpayer has no other tax credit, you must enter \$8,000 on the corresponding line. Once you claim this amount in the return, the total credit available in the TCM of \$10,000 will be reduced to \$2,000 (that is, \$10,000 less \$8,000 of credit claimed on the return).

On the other hand, pursuant to AD 12-07, the partners or members of the Nonresident Intermediate Entities, that are not pass-through entities, will be required to file an income tax return in Puerto Rico in their individual capacity, in accordance with the provisions of the Code. When two or more of said partners or members of the Nonresident Intermediate Entities are nonresident individuals, the Department has available the composite return mechanism described in Section A.1 of AD 12-07, which must be filed by the Entity. Based on the above, the Post TCM Credits that have been generated or acquired by the Entity may be claimed by the partners or members of the Nonresident Intermediate Entities in the income tax return that they are required to file in Puerto Rico. In these cases, the Post TCM Credits generated or acquired by the Entity must be transferred to the owners, that is, to the partners or members of the Nonresident Intermediate Entities in the TCM. Likewise, and before being able to claim the credit on their return, the owner must accept the transfer of the credits in the TCM in order that they are reflected as available, in the link “*Access my Tax Credits*”, in their income tax account. Refer to IR CL 23-14 for details on the process of claiming Post TCM Credits from a pass-through entity.

To know the percentages, limitations, possibility of transfer and/or carryover of the credits listed in this Part, you must refer to the credit determination or certification that has been granted, the rules of use established in the special act under which the credits were granted and the applicable provisions of the Code.

Any credit claimed in this Part that is not properly reflected in the taxpayer's TCM will be adjusted and the taxpayer will receive a Notice of Mathematical Error in accordance with the provisions of Section 6010.02(g) of the Code.

For additional information, refer to AD 22-11, IR CL 23-02, IR CL 23-14, and to the next publications to be issued by the Department.

If you have doubts or questions related to the operation of the TCM, please send an email to mcc@hacienda.pr.gov.
