The estimated tax payments under the ECISR are to be made together with Form 480.37, or using "Colecturia Virtual" at www.hacienda.gobierno.pr.

It is necessary that you submit copy of the tax return filed in

INSTRUCTIONS FORM 480.20(U)

such jurisdiction. Corporations and partnerships required to file U.S. Form 1120 or Form 1065 must submit a copy of Form 1120 or Form 1065, as applicable. Corporations that are included in a U.S. consolidated federal income tax return must submit a pro forma Form 1120. It is not necessary to include the Schedules to Form 1120 or Form 1065. If the items were determined in a foreign currency, such items must be converted to U.S. dollars at the payment date. A schedule indicating the conversion to U.S. dollars must be submitted with the return.

In any other case, the entire net income shall be determined based on the principles of the Puerto Rico tax law. Where a taxpayer must compute its entire net income based on the Puerto Rico tax law (because its jurisdiction of organization does not impose a tax based on net income), the taxpayer should prepare a pro forma Puerto Rico tax return and reflect the entire net income figure of such pro forma return on this line. A copy of the pro forma return must be included with the return. Please make sure to label it as "PRO FORMA RETURN". The pro forma return does not need to be notarized before a notary public.

Line 6 – Subtract line 5 from line 1.

PART IV – COMPUTATION OF THE NET INCOME ATTRIBUTABLE TO PUERTO RICO SOURCES

Include a copy of the administrative determination issued by the Secretary as well as a separate statement showing the computation of the Puerto Rico source income based on the alternative method of allocation approved.

PART V – DETERMINATION OF THE PROPERTY FACTOR

Line 1 – Enter the average value of the real and tangible personal property owned and used or rented and used by the nonresident foreign corporation or partnership in Puerto Rico during the taxable year.

The average value of property shall be determined by averaging the value at the beginning and ending of the taxable year. However, the averaging of monthly values during the taxable year should be used if reasonably required to reflect properly the average value of the property of the nonresident foreign corporation or partnership.

Property owned by a nonresident foreign corporation or partnership shall be valued at its original cost plus the cost of additions and improvements.

Property rented by the nonresident foreign corporation or partnership shall be valued at eight times the annual rental rate paid by the nonresident foreign corporation or partnership.

The value of movable tangible personal property used both within and without Puerto Rico shall be included in this line to the extent of its utilization in Puerto Rico. The extent of such utilization shall be determined by multiplying the total value of such property by a fraction, the numerator of which is the number of days of physical location of the property in Puerto Rico during the taxable year and the denominator of which is the number of days of physical location of the property everywhere during the taxable year. The number of days of physical location of the property may be determined on a statistical basis or by such other reasonable method acceptable to the Secretary.

Line 2 – Enter the average value of the real and tangible personal property owned and used or rented and used by the nonresident foreign corporation or partnership everywhere during the taxable year.

- some of the service is performed in Puerto Rico and the base of operations, or, if there is no base of operations, the place from which the service is directed or controlled, is in Puerto Rico; or the base of operations or the place from which the service is directed or controlled is not in any state of the United States or foreign country in which some part of the service is performed, but the employee's residence is in Puerto Rico.

Line 2 – Enter the total amount paid or accrued everywhere during the tax year by the nonresident foreign corporation or partnership for compensation.

Line 3 – Divide line 1 by line 2. Transfer the amount determined to Part IV, line 3.

PART VII – DETERMINATION OF THE SALES FACTOR

In the case of delivery by common carrier or other means of transportation, the place at which such property is delivered to such common carrier shall be considered as the place at which such property is received by the purchaser. Direct delivery in Puerto Rico, other than for purposes of transportation, to a person or firm designated by a purchaser, constitutes delivery to the purchaser in Puerto Rico, and direct delivery outside Puerto Rico to a person or firm designated by the purchaser does not constitute delivery to the purchaser in Puerto Rico, regardless of where title passes, or other conditions of sale.

Sales, other than sales of tangible personal property, are in Puerto Rico if the income-producing activity is performed in Puerto Rico, or

INSTRUCTIONS FORM 480.20(U)

the income producing activity is performed both in and outside Puerto Rico and a greater proportion of the income-producing activity is performed in Puerto Rico than in any other state of the United States or foreign country, based on costs of performance.

Line 2 – Enter the total sales of the nonresident foreign corporation or partnership everywhere during the taxable year, to the extent that such sales are used to produce income.

Line 3 – Divide line 1 by line 2. Transfer the amount determined to Part IV, line 4.

PART VIII – DETERMINATION OF THE PURCHASES FACTOR

Line 1 – Enter the total purchases of the nonresident foreign corporation or partnership in Puerto Rico during the taxable year.

Purchases of tangible personal property are in Puerto Rico if such property is manufactured or produced in Puerto Rico by a member of the controlled group that includes the purchaser, whether such purchases are made directly or indirectly from the manufacturer or producer, provided, however, in no event shall purchases of tangible property be considered purchases of property manufactured or produced in Puerto Rico unless the property is manufactured or produced in whole or in part in Puerto Rico within the meaning of Article 1123(f)-4(d)(2) of Regulation 6257. In addition, refer to Article 1123(f)-4(d)(3) of Regulation 6257 to determine whether purchases of tangible personal property that is not manufactured or produced in whole or in part in Puerto Rico by a member of the controlled group that includes the purchaser are considered as purchases of tangible personal property in Puerto Rico.

Purchases, other than purchases of tangible personal property, are in Puerto Rico if the income-producing activity of the seller is performed in Puerto Rico, or the income-producing activity of the seller is performed both in and outside Puerto Rico and a greater proportion of the income-producing activity is performed in Puerto Rico than in any state of the United States or foreign country, based on costs of performance.

Line 2 – Enter the total purchases of the nonresident foreign corporation or partnership everywhere during the taxable year, to the extent that such purchases are used to produce income.

Line 3 – Divide line 1 by line 2. Transfer the amount determined to Part IV, line 5.

This part must be completed by those taxpayers subject to the provisions of Article 1123(f)-4(g) of Regulation 6257 or those whose alternative method under Article 1123(f)-4(f) of Regulation 6257 is based on the allocation method of Article 1123(f)-4(g).

Line 1 – Enter the portion of the taxpayer's income from the sale or exchange without Puerto Rico of personal property manufactured or produced in whole or in part within Puerto Rico net of any directly or indirectly allocated expenses to this income. A separate statement should be included with the return showing the computation of the amount entered on this line. Please make sure to label it as "PRO FORMA RETURN". The pro forma return does not need to be notarized before a notary public.

Line 2 – Income Effectively Connected with a Trade or Business within Puerto Rico (Multiply Line 1 by 50%. Enter the result here and transfer to page 1, Part I, Line 1 in the case of corporations, and to page 1, Part II, Line 1 in the case of partnerships).
