Administrative Order No. OA-2017-01 which ordered the Secretary of Treasury ("Secretary") to carry out an inventory of the tax credits granted and to require the holders of tax credits to report the amount granted of said credits, in the manner that the Secretary establishes for said purposes. The administrative order also establishes that, any credit holder that does not show evidence issued by the Secretary of compliance with the information requirement, will not be able to claim said tax credits. Subsequently, AAFAF has issued several resolutions regarding the use and availability of tax credits.

For its part, on April 20, 2017, the Department of the Treasury ("Department") issued the Internal Revenue Informative Bulletin No. 17-08 to notify that the requirement to carry out the inventory of tax credits would be met through the electronic filing of Form 480.71.1 (Informative Return for Tax Credits Holders). For these purposes, the Department established that the requirement imposed by AAFAF to submit evidence of compliance with the information requirement in order to claim the tax credits, would be met through the electronic filing of Form 480.71.1.
