GENERAL INSTRUCTIONS

**OBLIGATION TO FILE THE INFORMATIVE RETURN -

Every partnership or limited liability company that is required to file a Partnership Informative Income Tax Return must provide to each partner a report containing the information required to be included on the partner's income tax return. The information must be provided in Form 480.60 S (Partnership Informative Return – Partner's Distributable Share on Income, Losses and Credits).

Each partner must submit this Informative Return with the income tax return.

For purposes of this return, the terms partnership and partner include a limited liability company and any of its members if they are subject to the provisions of Chapter 7 of Subtitle A of the Puerto Rico Internal Revenue Code of 2011, as amended (Code).

**DATE ON WHICH THE REPORT MUST BE PROVIDED TO
PARTNERS**

The partnership has until the last day of the third month following the close of the taxable year to provide the informative return to the partners. **Copy of the partner's report must be sent to the Department of the Treasury together with the Partnership Informative Income Tax Return (Form 480.10(S)) when the same is filed.**

**REQUEST FOR EXTENSION OF TIME TO FILE THE
PARTNER'S REPORT**

A 30 days automatic extension of time will be granted from the date prescribed to file the partner's report. This will be made through the Request for Extension of Time to File Reports of Partnership, Special Partnership, Corporation of Individuals, Employees-Owned Special Corporation and Revocable Trust or Grantor Trust (Form AS2644.1).

**ESTIMATED PAYMENT REQUIREMENT ON PARTNER'S
DISTRIBUTABLE SHARE**

Section 1062.07 of the Puerto Rico Internal Revenue Code of 2011, as amended (Code), provides the requirements for the income tax estimated payments attributable to the partner's distributable share on the income from the partnership.

The managing partner or any other persons to whom the obligation to provide the report to the partners has been delegated, must determine and send an amount equal to the larger of:

- 30% of the total estimated partner's distributable share on the income items from a partnership, less the total withheld with

respect to judicial or extrajudicial indemnification payments and payments for services rendered; or

- The amount resulting from the computation provided by Section 1023.10 of the Code for the distributable share on the partner's gross income.

Such payments must be deposited in the Department of the Treasury in 4 equal installments not later than the 15th day of the fourth, sixth, ninth and twelfth month of the partnership's taxable year using Form 480.9A (Withholding Tax Payment Voucher) or substitute form.

Any balance not paid by the end of the partnership's taxable year, must be paid not later than the 15th day of the third month following the close of the taxable year, together with the filing of the Partnership Informative Income Tax Return (Form 480.10(S)) or the corresponding request for extension of time to file the return.

**HOW MUST THE PARTNERS REPORT THESE ITEMS IN
THEIR INCOME TAX RETURNS?**

The partner must include each one of the items indicated in his income tax return as if such items were realized directly by him, since the Code provides that the nature, source and character of the income, gains, losses and credits items included in the partner's distributable share will be determined as if such items were realized by the partner directly from the source from which the partnership realized them, or incurred in the same way that they were incurred by the partnership. In the same way, the partner's distributable share on income from sources outside of Puerto Rico earned by the partnership will retain the character of the income from sources outside of Puerto Rico in the hands of the partner.
