**Allowable deduction for Private Equity Investment (Section 2042.03(d) of Act 60-2019, as amended, or Act 185-2014, as amended)**

Retention Period: Ten (10) years
WHO MUST FILE THIS RETURN?

Every revocable trust or grantor trust ("Trust") subject to the provisions of Sections 1083.05 and 1083.06 respectively, of the Puerto Rico Internal Revenue Code of 2011, as amended (Code), must file a return to inform the income received during the corresponding taxable year.

For purposes of this return, the term "grantor trust" includes a trust created under the Puerto Rico laws that, for purposes of the Federal Internal Revenue Code of 1986, as amended (IRC), is treated as a grantor trust at the federal level.

Section 1083.05 of the Code establishes that a trust will be considered as a revocable trust when at any time, the power to reinvest in the grantor title to any part of the corpus of the trust is vested:

1) in the grantor, either alone or in conjunction with any person not having a substantial adverse interest in the disposition of such part of the corpus or the income therefrom, or

2) in any person not having a substantial adverse interest in the disposition of such part of the corpus or the income therefrom, then the income of such part of the trust shall be included in computing the net income of the grantor.

WHEN AND WHERE THE RETURN MUST BE FILED?

This return must be filed not later than the 15th day of the third month following the close of the trust's taxable year. For example, a revocable trust or a grantor trust which accounting year is a calendar year (ending on December 31, 2021) must file the return not later than March 15, 2022.

The return must be filed, on paper format, in the Department of the Treasury, Returns Processing Bureau, located at 10 Paseo Covadonga, Intendente Ramirez Building in Old San Juan, or mailed to the following address:

DEPARTMENT OF THE TREASURY
PO BOX 9024041
SAN JUAN PR 00902-4041

It may also be hand-delivered at any Internal Revenue Collections Office.

AUTOMATIC EXTENSION OF TIME TO FILE THE RETURN

A six (6) month automatic extension of time to file the return will be granted if it is requested not later than the due date to file the return.

Every Trust that needs to file an automatic extension of time (Form SC 2644), must file it electronically through the Pass-Through Entity account in the Internal Revenue Integrated System (SURI, for its Spanish acronym) or through SURI's main page without the need to register or login. For additional information on the electronic filing process of the Automatic Extension Request for taxable year 2021, refer to the Internal Revenue Circular Letter No. 22-09.

An extension of time to file the return does not extend the time for the payment of the tax corresponding to the share of the trustee in the income of the trust.

COLUMN OF CENTS

While completing the return, the column of cents will not be used. That way we can expedite its processing. It is important to remind you that it is not about rounding off, but eliminating the cents. See the following example:

$480.90 = $480
$475.25 = $475
