# INCOME TAX RETURN OF TAXABLE CORPORATIONS AND PARTNERSHIPS

## *MESSAGE FROM THE SECRETARY OF THE TREASURY*

Dear Taxpayer:

At the Department of the Treasury we firmly keep our commitment with the safe administration of public funds. Our systems were restructured to identify mistakes and guarantee the tax justice and fiscal stability that we all desire.

We have reviewed our procedures and we currently have the necessary tools to facilitate our taxpayers all the necessary information to comply with their income tax obligation in a secure and timely manner. In addition, we have worked to improve the quality of our services to the public.

It is important to mention that last year several laws were approved that provide various tax benefits. Among others, stands out the one that grants a credit for construction investment in urban centers. In addition, a tax credit is granted for the establishment of a conservation easement or an eligible land donation, equal to 50% of the value of the same. Also, the long-term capital gain tax rates were reduced by 50% for capital asset transactions carried out from July 1, 2004 through June 30, 2005. Furthermore, a 15% special deduction is provided for the purchase of products manufactured in Puerto Rico, as an alternative to the current 25% credit available. Finally, several exemptions and credits were granted to the book industry.

The approval of the above laws represent a significant advance to our economic development and at the same time an economic relieve is granted to companies. Notwithstanding, to take advantage of them, it is necessary to comply with certain requirements. Therefore, it is important to carefully review the information provided in this booklet. To request information or if you have any doubt, please call (787) 721-2020 extension 3611 or toll free at (1) (800) 981-9236. ### AREA CODE

You must indicate the area code **(787 or 939)** in the parenthesis located in the spaces provided in the heading of the return to write the phone number.

### RETURNED CHECKS FOR INSUFFICIENT FUNDS

Every check drawn on behalf of the Secretary of the Treasury that is returned because of non sufficient funds, will be subject to a \$20.00 charge that will be debited from your bank account. This charge is in addition to any other interest, surcharges or penalties provided by the Code or any other fiscal law, for omissions in fulfilling your tax responsibility.

### FINANCIAL STATEMENTS REQUIREMENT

If the entity has a business volume from taxable operations of more than \$1 million, financial statements reporting the operations of the taxable year must be included with the return.

The financial statement must include a balance sheet, an income statement and a statement of cash flows. These statements should be submitted with an Audit Report issued by a certified public accountant (CPA) licensed in Puerto Rico.

**It is not acceptable a report that includes consolidated financial statements, in which the operations in Puerto Rico are presented as supplementary information. Also, compiled or reviewed statements are not acceptable. They must be audited.**

### SIGNATURE OF THE RETURN BY THE SPECIALISTS

**If you pay for the preparation of the return, make sure that the return is signed by the specialist and that the registration number and the employer's identification number of the specialist is included.** The Puerto Rico Internal Revenue Code of 1994, as amended (Code), provides civil and criminal sanctions to those Specialists who fail to submit this information.

The Tax Return Specialist must declare under penalty of perjury that he/she examined the return and to the best of his/her knowledge and belief, the return is correct and complete.

If the return is prepared by an accounting firm duly registered as a Tax Return Specialist, it must include the employer's identification number, the registration number and be signed by the authorized person.

### CONTRACTS WITH GOVERNMENTAL ENTITIES

Every person, natural or juridical, contracted by a governmental entity, must comply with the Executive Order 91-24, as amended, and the provisions of the Circular Letters in force at the time of

processing the contracts. According to said provisions, every contract subscribed by a governmental entity must include a clause to certify that the contracted party filed the income tax returns for the last five years, and that the income, property, unemployment, temporary disability and drivers social security taxes have been paid.

In addition, in order to approve a contract or purchase order, the governmental entity must require the tax return filing (Form SC 6088) and debt (Form SC 6096) certifications from the Internal Revenue Area of this Department, the property tax certification from the CRIM and the corresponding certification from the Department of Labor and Human Resources. These documents must be requested annually.

In order to expedite the process of issuing the certifications, every person who has filed income tax returns for the last 5 years and who does not have tax debts, or if having debts, has formalized a payment plan, will receive the Tax Return Filing and Debt Certification automatically by mail (Form SC 2628). **For this purpose, it is necessary that if the corporation is contracted by a governmental entity, indicate so in the heading of the return, page 1.**

Sometimes a certification can not be issued in connection with the last taxable year since such return may have not been already processed. Because of this possibility, it is recommended to personally file the original return along with a copy, in order to receive back said copy sealed with the Department's receipt stamp. This service will be offered at the Department of the Treasury, Intendente Ramírez Building in Old San Juan, at the District Offices, at the Internal Revenue Collections Offices, and at the Tax Orientation Centers.

### COUPONS BOOKLET FOR THE PAYMENT OF ESTIMATED TAX (FORM 480.E-2)

The four installments of estimated tax corresponding to the 2005 calendar year or to the 2005 - 2006 taxable period, will be made with the booklet revised on 08.04. Payments made with coupons revised previous to said date could have problems in their application.

## PART II - CREDITS

### Line 4 - Dividends or profits received from domestic corporations or partnerships

Enter 85% of the amount received as dividends or profits from a domestic corporation or partnership taxable under the Code, but limited to 85% of the net income of the corporation or partnership.

If the dividend received is from industrial development income derived from operations covered by the provisions of Act No. 57 of June 13, 1963, as amended, the credit will be 82.70% of the amount received, but limited to 82.70% of the net taxable income.

The credit of 82.70% does not apply to dividends or profits distributions derived from operations covered under Act No. 78 of September 10, 1993, as amended, or Act No. 8 of January 24, 1987, as amended. Nevertheless, if the corporation or partnership receives dividends or benefits from a domestic corporation or partnership, it may use the 85% credit mentioned in the first paragraph of this part.

However, the Code provides the following exceptions:

- 4) A 100% credit will be granted against the net income from the total amount received as dividends or profits from a domestic controlled corporation or partnership.

#### Line 6 - Surtax net income credit

Enter **\$25,000**, except in case the corporation or partnership belongs to a controlled group of corporations or partnerships which are 80% or more owned, directly or indirectly, by the same person or persons. In those cases, the allowed credit will be only \$25,000 for the entire group of corporations or partnerships.

If a corporation or partnership is a component member of a controlled group of corporations or partnerships by December 31, the credit allowed to such corporation or partnership for the taxable year that includes such December 31, shall be an amount equal to \$25,000 distributed among the corporations or partnerships that are component members of the group.

If a corporation or partnership has a taxable year of less than twelve months that does not include December 31, and is a component member of a controlled group of corporations or partnerships with respect to such taxable year, the allowable credit for that taxable year will be \$25,000 distributed among the number of corporations or partnerships that are component members of the group as of the last day of said taxable year.

**In case of a controlled group of corporations or partnerships, it is necessary to include with the return of each member a schedule detailing the apportionment plan, the name of each one of the corporations or partnerships that are members of the group, the employer's identification number and the signature of the person or persons responsible for preparing it.**

Enter the amount determined on Schedule D Corporation and Partnership, Part VII, line 54.

If the net long-term capital gains exceed the net short-term capital losses, the corporation or partnership may elect to pay an alternative tax. The alternative tax is determined by applying the normal tax rates to the net income without including the net long-term capital gains, plus 12.5% (applicable to property located in Puerto Rico), 25% (applicable to other properties) or 7% (applicable to stocks or shares from an eligible corporation or partnership) over such gains.

On the other hand, Act No. 226 of August 22, 2004, provides a 50% reduction in the special tax rates applicable to net long-term capital gains in case of transactions with capital assets **realized during the period between July 1, 2004 and June 30, 2005.**

The special tax rates applicable to transactions realized during said period are the following:

Property located in Puerto Rico	6.25%
Other properties	12.5%
Sale of stocks or shares from an eligible corporation or partnership	3.5%

**Compute the alternative tax using Schedule D Corporation and Partnership - Gains and Losses from Sale or Exchange of Property. Include said schedule with your return.**

#### Line 17 - Alternative minimum tax

Enter the excess of tentative minimum tax over adjusted regular tax from Schedule A Corporation and Partnership, Part V, line 33.

Every corporation or partnership (except those not engaged in trade or business in Puerto Rico) will be subject, in addition to any other tax imposed by the Code, to a tax equal to the excess, if any, of:

- 1) the tentative minimum tax for the taxable year, over
- 2) the adjusted regular tax for the taxable year.

The Tentative Minimum Tax for the taxable year will be 22% of the amount by which the Alternative Minimum Net Income for the taxable year exceeds the Exempt Amount. The Tentative Minimum Tax will be reduced by the Alternative Minimum Credit for taxes paid to a foreign country.

**To compute the excess of the alternative minimum tax over the adjusted regular tax, you must complete Schedule A Corporation and Partnership and include it with your return.**

#### Line 18 - Branch profits tax

In addition to any other tax imposed by the Code, those foreign corporations and partnerships engaged in trade or business in Puerto Rico that operate as branches, **are subject to a 10% tax** of the amount equivalent to the dividend or profit distribution for the taxable year.

#### PART I - ADJUSTMENTS IN THE COMPUTATION OF THE ALTERNATIVE MINIMUM NET INCOME BEFORE BOOKS ADJUSTMENTS AND OPERATING LOSSES

**Line 1-** Enter the net income prior to any net operating loss, considering the credit allowed by the Code in relation to dividends received from domestic corporations or partnerships, or from industrial development income and excluding the net capital gain that you elect to pay taxes at the special tax rates of 3.5%, 6.25%, 7%, 12.5% and 25%. Add lines 2 and 5 of Form 480.10 or 480.20, and subtract lines 32 through 38 of Schedule D Corporation and Partnership, as applicable. Another alternative for this computation is adding line 39 of Schedule D Corporation and Partnership and line 2 of Form 480.10 or 480.20.

deduction. On the contrary, if the amount used to determine the regular tax exceeds the adjustments, the difference (positive) will be reflected as an additional adjustment to the net income.

**Line 2(a) -** If you used the flexible depreciation method to compute your regular tax, determine the depreciation using the straight-line method and enter here the difference between both methods.

Enter on this line the difference between both methods.

**Line 2(d) -** If the corporation or partnership is a financial institution, determine the amount of interest expense not allowable as a deduction attributable to interest income derived from exempt obligations, irrespective of the date of its acquisition.

This will be made based on the average balance ratio of assets of the institution. The adjustment does not apply to exempt obligations related to mortgage loans granted or guaranteed prior to September 1, 1987 by the Commonwealth of Puerto Rico, its agencies, municipalities and instrumentalities, which interest would have been deductible from the gross income to determine the tax imposed by Act No. 34 of June 4, 1975, as amended.

**Line 2(e) -** If you used the accelerated depreciation method to determine the regular tax, compute the depreciation using the straight-line method. Enter on this line the difference between both methods.

**Line 21** - The alternative minimum tax allows an exemption of \$50,000 if the alternative minimum net income is \$500,000 or less. That exempt amount is reduced by 25% (but not less than zero) of the excess of the alternative minimum net income over said amount. If your alternative minimum net income is \$700,000 or more, you are not entitled to claim any exemption.

To determine the exempt amount follow the instructions below:

The determined credit is subject to an additional limitation. It may be reduced up to 90% of the Tentative Minimum Tax (line 23) without considering the deduction for net operating loss used in the determination of the alternative minimum tax. Determine the credit limitation amount on lines 23 through 30. **Any credit amount not claimed in the taxable year can be carried over to the following 7 years.** No part of the credit may be carried back.

If the investment credit claimed by the investors exceeds the investment credit computed by the Secretary, the Director or the Board, this excess shall be due as income tax. In some cases this debt must be paid by the investors in one installment, and in other cases in two installments beginning with the first taxable year following the date in which the unfulfillment or revocation of the credits is determined or any other date provided by law. The Director, the Secretaries or the Board will notify the Secretary of the Treasury the excess of credit claimed by the investors.

## SCHEDULE D CORPORATION AND PARTNERSHIP - GAINS AND LOSSES FROM SALE OR EXCHANGE OF PROPERTY

Use this schedule to determine the gains or losses from the sale, exchange or disposition of property.

A capital asset may be defined as a property acquired for investment possessed by the taxpayer (related or not to its industry or business), but does not include: (a) goods in hand of the taxpayer's business or other property of similar nature that can be properly included in the taxpayer's inventory, if it was in hand at the close of the taxable year, or property possessed by the taxpayer primarily for the sale to customers during the ordinary course of its trade or business, or (b) property used in its trade or business subject to the allowance for current depreciation, or real property used in its trade or business.

**Capital gains or losses are classified as short or long-term depending on the period held.** If the assets were held for not more than 6 months, it is considered as **short-term** gain or loss. On the other hand, if the assets were held for more than 6 months, it is considered as **long-term** gain or loss.

To determine short and long-term capital gains or losses, you must provide the description and location of the property sold and complete the information in Columns (A) through (F) of Parts I and V, and of Columns (A) through (G) of Parts II, III and IV, with respect to the properties.

Once you determine a gain in the sale or exchange of capital assets, you must identify the location of the property and consider the date in which the transaction was realized. This information will determine, in part, the income tax rate applicable to the long-term capital gain. For long-term capital gain derived from the sale of certain **property located in Puerto Rico**, the special rate will be 12.5%. Other **property not defined as property located in Puerto Rico**, is subject to the rate of 25%. Nevertheless, if the transaction that generated the long-term capital gain was realized during the period between July 1, 2004 and June 30, 2005 (temporary period), the special tax rates will be 6.25% and 12.5% respectively, as provided by Act No. 226 of August 22, 2004 (Act No. 226).

For purposes of sale or exchange of capital assets, the term **property located in Puerto Rico** means:

- a) Every real property located in Puerto Rico.
- b) Stock certificates issued by domestic corporations, or distributable share of a partner in a domestic partnership's capital.
- c) Stock certificates and distributable share in foreign corporations or partnerships, when no less than 80% of the gross income of said foreign corporation or partnership for the three (3) year period ended with the close of your taxable year previous to the transaction that generated the long-term capital gain, or for such part of said period in which the corporation or partnership have existed, was derived from Puerto Rico sources in accordance with the provisions of the Code.
- d) Bonds, notes or other debt obligations issued by:
  - (i) the Commonwealth of Puerto Rico;
  - (ii) municipalities of the Commonwealth of Puerto Rico; or
  - (iii) authorities or public corporations of the Commonwealth of Puerto Rico and its municipalities.
- e) Bonds, notes and other debt obligations of an individual resident of Puerto Rico; or from a domestic corporation or partnership; or guaranteed by real property located in Puerto Rico.
- f) Bonds, notes or other debt obligations of foreign corporations or partnerships when no less than 80% of the gross income of said foreign corporation or partnership for the three (3) year period ended with the close of your taxable year previous to the transaction that generated the long-term capital gain, or for such part of said period in which the corporation or partnership have existed, was derived from Puerto Rico sources in accordance with the provisions of the Code.

**The adjusted basis of the property** is its original cost, plus the permanent improvements, less the accumulated depreciation. Do not include lodging expenses (i.e. hotels) nor travel expenses (i.e. airline tickets).

**Selling expenses** include sales commissions, advertisements, legal, appraisal and other similar expenses. Do not include lodging expenses (i.e. hotels) nor travel expenses (i.e. airline tickets).

Also, every eligible person may elect to pay a tax of 7% on the total excess of any net long-term capital gain over any net short-term capital loss from the sale of stocks or shares from an eligible corporation or partnership, or 3.5% if the transaction was realized during the temporary period, as provided by Act No. 226. For this purposes, **eligible person** means any person:

- (1) that is a shareholder or partner, or became a shareholder or partner, of an eligible corporation or partnership at the moment in which said corporation or partnership makes its first stocks or shares sales offer at the New York Stock Exchange, NASDAQ or any other national stock market in the United States of America, provided that the offer is made after June 30, 1997 and before January 1, 2008;

No deduction shall be allowed with respect to losses from sale or exchange of property executed directly or indirectly (except in case of distributions in liquidation), between an individual and a corporation or partnership in which that individual possesses, directly or indirectly, more than 50% of the outstanding stocks or has more than 50% of a partnership equity; or (except in case of distributions in liquidation) between two corporations, between two partnerships or between a corporation and a partnership, with respect to any of these corporations outstanding stocks or partnership equity in which more than 50% is owned, directly or indirectly, by or for the same individual.

**Gains and losses from involuntary conversions and from the sale or exchange of certain property used in the trade or business**

- The term property used in the trade or business means property that is used in the trade or business, held for more than 6 months and that is subject to the allowance for current depreciation, and real property used in the trade or business, held for more than 6 months, and which is property not included in the taxpayer's inventory if in hand at the close of the taxable year, or property held by the taxpayer primarily for the sale to customers in the ordinary course of its trade or business.

The Code provides for a special treatment for gains and losses derived from the sale or exchange of depreciable property used in the trade or business held for more than 6 months, and for gains and losses from a compulsory or involuntary conversion of such depreciable property and of capital assets, held for more than 6 months. Such gains could be treated as long-term capital gains and taxed at a 12.5% or 6.25% (applicable to property located in Puerto Rico) and 25% or 12.5% (applicable to other properties not included in the definition of property located in Puerto Rico) rate, or the normal tax rates, whichever is lower.

## PART VII - DETERMINATION OF ALTERNATIVE TAX - CAPITAL GAIN

**Lines 32 through 38** - The amounts to include on these lines, in the cases that you elect to pay taxes on such items at the special rates, come from Schedule D Corporation and Partnership, line 25, as applicable. The net short-term capital gains must be taxed at the regular rates and they can not be transferred to this line.

You must enter **zero** on any line in which you decide to pay taxes at the regular rates on the gain and do not elect the special rates. This is in the cases where you derived gains in more than one of the concepts indicated on this line.

### SCHEDULE E - DEPRECIATION

This schedule will be used to inform each one of the properties for which depreciation expense is claimed. Spaces are provided for current, flexible and accelerated depreciation; improvements depreciation and amortization.

The following information must be provided on the schedule:

- ☐ property classification;
- ☐ date acquired;
- ☐ allowable cost or basis;
- ☐ depreciation claimed in previous years;
- ☐ estimated useful life to determine the depreciation;
- ☐ depreciation claimed in the current year.

#### Part (b) - Flexible Depreciation

To be entitled to claim the flexible depreciation instead of current depreciation, the Code requires to make an election through a sworn statement to be filed not later than 30 days after the close of the taxable year. Said option may be exercised only over property acquired by the taxpayer prior to June 30, 1995.

#### Part (c) - Accelerated Depreciation

The election may be exercised only over property acquired by the taxpayer during taxable years beginning after June 30, 1995. The election, once made, is irrevocable.

**Refer to the instructions of Part V of the return or to the Code and its regulations, for other requirements and provisions in connection with the deduction under the flexible and accelerated depreciation methods.**

**Submit Schedule E with your return.**

### SCHEDULE R - SPECIAL PARTNERSHIP

Part I of Schedule R is used every year to determine the taxpayer's basis in each special partnership. Part II of this schedule is used in those taxable years in which the taxpayer claims its distributable share on the special partnership's losses in the current year, as well as those losses carried over from previous years. Also, Part II provides for the reduction of the carryover losses by the

distributable share on income and profits attributable to the partner during the year.

You must complete this schedule annually, whether the Special Partnership has derived gains (or losses) or not.

## PART I - ADJUSTED BASIS DETERMINATION OF A PARTNER IN ONE OR MORE SPECIAL PARTNERSHIPS

**Line 1** - Enter the amount from Part I, line 4 of previous year's Schedule R.

The basis of a partner's share from a Special Partnership will be the amount of cash, or the adjusted basis of any property that is not considered cash, contributed to said partnership.

This basis will be adjusted by entries or transactions made during the current taxable year and others included on previous year's income tax return.

#### Line 2 - Basis increase

- (a) Enter the partner's distributable share on previous year's income and profits. For example, in the case of a taxpayer with a calendar taxable year, enter the total distributable share on the special partnership's income or profit included on the income tax return filed on April 15 of previous year (or later if you requested an extension of time to file your return). This amount must be the same as the one shown on line 7, Part II of Schedule R included on previous year's income tax return.
- (b) through (d) These entries are from the current taxable year.
- (e) Enter the proportion of income or gain attributable to your share on the income from agriculture earned by the special partnership, which is tax exempt under Section 1023(s) of the Code.
- (f) Enter other income or gains like for example, the distributable share on the dividends and interest received by the special partnership.

#### Line 3 - Basis decrease

- (a) Enter the distributable share on the loss attributable to the partner in previous year. For example, in the case of a taxpayer with a calendar taxable year, enter the total distributable share on the special partnership's loss included on the income tax return filed on April 15 of previous year (or later if you requested an extension of time to file your return). To determine the total loss claimed on previous year's return, add lines 5(c), 8 and 13 of Part II from Schedule R included on previous year's return. In order to add lines 5(c), 8 and 13 use the parenthesis of line 8, if the excess is a loss. For example, if line 5(c) is \$12,000, line 8 (\$2,000) and line 13 \$1,000, the result will be \$11,000 (\$12,000 + (\$2,000) + \$1,000).
- (b) The distributable share on special partnership's capital assets loss.

- (c) Distributions made to the partner by the Special Partnership, whether in cash or in property, including tax exempt income.
- (d) The amount claimed as credit against the income tax in previous taxable year for investments made in special partnerships engaged in the production of feature films or under the Puerto Rico Tourism Development Act of 1993, the Puerto Rico Capital Investment Fund Act, the Puerto Rico Agricultural Tax Incentives Act, as amended, or any other credit admitted by law to the partners related to the Special Partnership's activities.
- (e) The amount taken as credit against the income tax for withholding of tax at source from the distributable share made to a resident partner (33%) or to a non-resident alien partner (29%).
- (f) Any expense from the Special Partnership not allowed as a deduction while determining your net income and that is not capitalized.
- (g) The distributable share on net losses from tax exempt operations under the Tourism Incentives Act of 1983 and the Tourism Development Act of 1993.

**Line 4** - If the amount on this line is less than zero, enter zero.

## **PART II - DETERMINATION OF PARTNER'S ALLOWABLE LOSSES IN ONE OR MORE SPECIAL PARTNERSHIPS**

If the Special Partnership derived losses, the partner may take such losses as a deduction from the net income. Said loss will be limited to the adjusted basis of the partner's share in the partnership at the end of the taxable year in which the loss of the partnership occurred, or up to 50% of the taxpayer's net taxable income determined without considering said loss, whichever is smaller.

The adjusted basis limitation will be determined for each one of the Special Partnerships in which the partner invests.

If the deduction allowed to the partner for any taxable year is smaller than its distributable share in the partnership's net loss, the partner may claim said excess as a deduction in any subsequent taxable year, subject to the smaller of the previously mentioned limitations.

**Line 5(a)** - Enter the amount distributed from the partner's loss in accordance to its share percentage in the Special Partnership. This amount is informed to the partner on Form 480.6 SE.

**Line 5(b)** - Enter the carryover losses which were not claimed in previous years due to the limitation.

This amount must be the same as the one shown on line 14, Part II of Schedule R included on previous year's income tax return.

If a partner possesses shares in losses from more than one Special Partnership, the balance subject to the loss carryover, as

determined in the previous taxable year, will be proportionally attributed to the loss of each one of the partnerships. Said attribution will be done by using as factor the adjusted basis of the partner's share in each one of the partnerships at the end of the previous taxable year.

**Line 6** - Enter on this line the amount determined in Part I, line 4. If the special partnership has an exemption decree under the Puerto Rico Tourism Incentives Act or the Puerto Rico Tourism Development Act, you may use the debts of the Special Partnership in proportion to your share to increase your adjusted basis, only to claim losses of the Special Partnership from this activity.

**Line 7** - Enter the partner's distributable share on the income and profits derived from the Special Partnership during the year. This amount is reflected on Form 480.6 SE.

**Line 8** - If the amount on this line is a loss, use the parenthesis.

**Line 9** - Enter the smaller of the amounts on lines 6(c) and 8. This will be the maximum amount to which the partner is entitled to take as a deduction for losses during this taxable year.

**Line 10** - Enter the result of the computation from line 9. In cases in which the partner has losses in more than one partnership, enter the result of the sum from line 9, Columns A through C. This is the total amount of losses to claim for this taxable year.

**Line 13** - Enter the smaller of line 10 or 12. This is the amount that you may deduct on your return this year.

## **SCHEDULE S CORPORATION AND PARTNERSHIP - FARMING BUSINESS**

Use this schedule to determine the agricultural taxable benefit.

However, if you claimed benefits under the provisions of the Puerto Rico Agricultural Tax Incentives Act (Act No. 225 of December 1, 1995, as amended), refer to the Income Tax Return for Exempt Businesses under the Puerto Rico Incentives Programs (Form 480.30(II)).

## **SCHEDULE T CORPORATION AND PARTNERSHIP - ADDITION TO THE TAX FOR FAILURE TO PAY ESTIMATED TAX IN CASE OF CORPORATIONS AND PARTNERSHIPS**

Use this Schedule to determine the addition to the tax for failure to pay the minimum estimated tax required.

## **PART I - ESTIMATED TAX REQUIRED**

**Line 2** - Enter the sum of credits corresponding to foreign taxes paid and to withholdings at source, and other similar credits provided by the Code or any other special act that may be applicable. Also include the amount of tax paid in excess in previous years that you elected to credit to the estimated tax for the taxable year. Do not include that excess that you had elected to credit to any payment

of the installment of estimated tax. **Add line 22, Part II of Schedule B Corporation and Partnership, and lines 3 through 7, Part III of Schedule B Corporation and Partnership.**

**Line 6** – Complete this line if an income tax return was filed for the immediate previous taxable year. Otherwise, go to line 8 and enter the amount from line 5.

If an income tax return was filed for the immediate previous taxable year, enter the tax to be paid without considering the estimated tax payments. Subtract lines 3 through 7, Part III of Schedule B Corporation and Partnership from line 20, Part III, page 1 of previous year return.

Example: The information of previous taxable year income tax return is:

2003 income tax return	
Net Income	\$380,000
Credits	5,800
Withholdings at source	1,000

The estimated tax for the current year, based on the information of previous taxable year income tax return but using the current tax rates would be:

Normal tax	\$76,000
Additional tax	51,950
Alternative Minimum Tax	0

Tax Liability	\$127,950
Less:	
Credits and Withholdings	(6,800)

Estimated Tax based on previous year income tax information	\$121,150
---	-----------

**Line 7** – If an income tax return was filed for the immediate previous taxable year, determine the estimated tax based on the immediate previous taxable year income tax return. For purposes of this computation, you must use current year tax rates.

#### Section A – Estimated Tax to be Paid per Installment Placing the Net Income on an Annual Basis

**Line 9** – Enter the months of the taxable year elapsed before the month for which the payment of the installment is required. For example, if the taxable year is a calendar year and operations began on January 1, in columns (a), (b), (c) and (d), you must enter 3, 5, 8 and 11.

**Line 22** – Enter the total tax credits and withholdings at source for the taxable year.

**Line 24** – In order to determine the amount to be entered in columns (b), (c) and (d), you must complete lines 28 through 31 of previous column of Section B (Estimated Tax Required).

#### PART II – FAILURE TO PAY

**Line 32** – Check calendar year if your taxable year ended on December 31. Otherwise, check fiscal year. Enter in columns (a), (b), (c) and (d), the date corresponding to the 15<sup>th</sup> day of the fourth month, sixth month, ninth month and twelfth month of the taxable year, respectively.

If you filed an extension of time to file the Estimated Tax Declaration, enter in column (a) the date granted to file the same.

**Line 33** – If you do not use the method of placing the net income on an annual basis to determine the minimum estimated tax required per installment, and the obligation to file the estimated tax declaration was met **for the first time**, before the first day of the fourth month of the taxable year or if you were required to file an Estimated Tax Declaration during the previous taxable year, enter in each one of the columns 25% of line 8. If the obligation was met **for the first time** after the last day of the third month and before the first day of the sixth month of the taxable year, enter 33% of line 8 in columns (b), (c) and (d). If the obligation was met **for the first time** after the last day of the fifth month and before the first day of the ninth month of the taxable year, enter 50% of line 8 in columns (c) and (d). If the obligation was met **for the first time** after the last day of the eighth month and before the first day of the twelfth month of the taxable year, enter 100% of line 8 in column (d).

**Line 34** – Enter in column (a) the total estimated tax amount paid not later than April 15 of the taxable year (the 15<sup>th</sup> day of the fourth month of the taxable year if you have a fiscal year); in column (b), the total estimated tax amount paid after April 15 of the taxable year (the 15<sup>th</sup> day of the fourth month of the taxable year if you have a fiscal year) and not later than June 15 of the taxable year (the 15<sup>th</sup> day of the sixth month of the taxable year if you have a fiscal year); in column (c), the total estimated tax amount paid after June 15 of the taxable year (the 15<sup>th</sup> day of the sixth month of the taxable year if you have a fiscal year) and not later than September 15 of the taxable year (the 15<sup>th</sup> day of the ninth month of the taxable year if you have a fiscal year); and in column (d), the total estimated tax amount paid after September 15 of the taxable year (the 15<sup>th</sup> day of the ninth month of the taxable year if you have a fiscal year) and not later than December 15 of the taxable year (the 15<sup>th</sup> day of the twelfth month of the taxable year if you have a fiscal year).

**Line 35** – If various payments were made in the periods described in the instructions for line 34, indicate the amount and date of the payments.

**Line 36** – To determine the amount to be entered in columns (b), (c) and (d), you must complete lines 37 through 42 of previous column.

#### PART III – ADDITION TO THE TAX FOR FAILURE TO PAY

**Line 43** – If the failure to pay on line 39 was covered in only one payment (overpayment) made after the due date, multiply line 39 by 20%. If the failure to pay on line 39 was covered in two or more

payments (overpayments) made after the due date, **do not write anything on this line** and complete the table corresponding to the installment, located on page 2 of this Schedule.

**Line 44** – If the failure to pay on line 39 was covered in only one payment (overpayment) made after the due date, enter the number of days elapsed from the date in which the estimated tax payment must have been paid and the earliest between the date in which the payment (overpayment) was made, or the 15th day of the fourth month following the close of the taxable year.

Any overpayment, after covering the estimated tax payment of the corresponding installment, will be attributed first to the amount of estimated tax of previous installments due and not paid and then to the subsequent installments.

If the failure to pay on line 39 was covered with two or more payments (overpayments) made after the due date, **do not write anything on this line** and complete the table corresponding to the installment in Part IV, page 2 of this Schedule. Determine the days elapsed from the due date of the estimated tax installment and the earliest between the date of each one of the payments or overpayments applied, or the 15th day of the fourth month following the close of the taxable year.

The date of the overpayment applied, will be the date in which the payment that caused such overpayment was made.

**Line 45** - If the failure to pay on line 39 was covered in only one payment (overpayment) made after the due date, divide the number of days entered on line 44 by 365 and multiply the result by line 43. If the failure to pay on line 39 was covered with two or more payments (overpayments) made after the due date, enter the total from the table corresponding to the installment, located in Part IV, page 2 of this Schedule.

# **PART IV - TABLES TO CALCULATE THE ADDITION TO THE TAX FOR FAILURE TO PAY THE INSTALLMENTS OF ESTIMATED TAX**

Calculate the penalty for each one of the amounts due by the dates of their respective payments, using the tables in Part IV, page 2 of this Schedule.

Example:

The minimum estimated tax for the current year was \$4,000. The net income was not placed on an annual basis to calculate the minimum estimated tax, thus, the taxpayer had to make four estimated tax installments for 4/15, 6/15, 9/15 and 12/15 of the current year of \$1,000, respectively. The following payments were made:

Date	Amount
4/15	600
5/30	150
6/15	1,000
9/15	1,100
12/15	1,000

The current year tax was totally met on the date prescribed by the Code to file the same, without considering any extension of time. Therefore, the taxpayer totally paid the current year tax by April 15 following the close of the taxable year. The computation of line 45 will be:

TABLE 1 - Payments to Meet the First Installment <b>Made After its Due Date (4/15)</b>				
Amount due and not paid before the payment	Amount of payment or overpayment	Date of payment or overpayment	Days elapsed from the due date	Multiply (a) by 20% by (d) 365
(a)	(b)	(c)	(d)	(e)
\$400	\$150	5/30	45	\$10
250	100	9/15	153	21
150	150	4/15	365	30
<b>Total:</b> Add Column (e) and transfer to Part III, line 45, Column (a) .....				<b>\$ 61</b>

→ Line 39 of Column (a)

→ Subtract the amount in Column (b) of the preceding line from the amount in Column (a) of the preceding line.

2nd installment: the 15<sup>th</sup> day of the ninth month

3rd installment: the 15<sup>th</sup> day of the twelfth month

If the Declaration is filed after the last day of the fifth month and prior to the first day of the ninth month of the taxable year and you were not required to file it prior to the 15<sup>th</sup> day of the sixth month, the installments will be:

1st installment: the 15<sup>th</sup> day of the ninth month

2nd installment: the 15<sup>th</sup> day of the twelfth month

If the Declaration is filed after the last day of the eighth month and before the first day of the twelfth month of the taxable year and you were not required to file it prior to 15<sup>th</sup> day of the ninth month, the total estimated tax will be paid on the 15<sup>th</sup> day of twelfth month of the taxable year.

The estimated tax installments will be paid along with a payment coupon (Forms 480.E-1 or 480.E-2). Taxpayers who filed a Declaration in the previous year, will receive a booklet containing 4 coupons (Forms 480.E-2) preprinted with your name, address and employer's identification number. Taxpayers who have not received the coupon booklet, must visit the Taxpayer's Service Center (Office 101) of the Department of the Treasury in Old San Juan, where a payment coupon booklet (Form 480.E-1) will be prepared. For additional information, call (787) 721-2020 extension 3610.

Estimated tax payments must be made at participant banks (if you have the preprinted coupon), at the Internal Revenue Collections Offices or at the Returns Processing Bureau at the address previously indicated.

Payments with checks in the participating banks must be made payable to the order of such banks. Payments made at the Internal Revenue Collections Offices shall be made with manager's checks, personal checks or money orders payable to the Secretary of the Treasury.

### **EXTENSION OF TIME**

If for a reasonable cause, a taxpayer is unable to file the Declaration or pay the tax as indicated, an extension of time to file the Declaration may be requested to the Secretary. No extension of time will be granted for a period longer than 3 months. The extension shall be requested using Form AS 2650.

### **AMENDED DECLARATION**

If after filing the Declaration it is determined that the estimated tax will be substantially increased or reduced as a result of a change in income, deductions or for any other reason, an Amended Declaration must be filed. The Amended Declaration must be identified by checking the applicable box. The increase or reduction of the estimated tax will be proportionally distributed among the remaining installments. Any Amended Declaration filed after the 15th day of the ninth month following the beginning of the taxable year as a result of an increase in the previously estimated tax, must include the total amount of said increase. The Amended Declaration in this case will be unnecessary if on the date prescribed for its filing, the final income tax return has been filed and the balance of tax due has been paid.

### **PENALTIES**

The Code establishes penalties for not filing the Declaration and for not paying the estimated tax installments.
