### **Executive Summary (cont'd.)**

- Hacienda identified government bank accounts and their balances to obtain a comprehensive view of the cash position of the Government. Requests were sent to governmental instrumentalities, the Office of the Commissioner of Financial Institutions ("OCIF") and various commercial banks.
- Based on the information obtained, Hacienda prepared an inventory of bank accounts across governmental instrumentalities, including those outside the scope of the fiscal plan submitted to the Financial Oversight and Management Board for Puerto Rico ("FOMB").
- The exercise and the inventory described in this presentation obtained information on +1,000 bank accounts. Hacienda now has centralized access to bank account information for most of the Government.
- Hacienda conducted this process in discussion with the FOMB and its advisors and has been providing periodic reports to the FOMB since July 2017.
- On October 31, 2017, AAFAF commenced publishing weekly cash flow reports for the TSA on its website and EMMA. On December 18, 2017, AAFAF commenced reporting on month-end cash balance position of the bank accounts included in this presentation to provide additional transparency.
